## Johnson Rd. Job Jeopardized by Need of P-O-W

A suggestion that Granite City abandon a \$250,000 improvement of Johnson Road, financed entirely by motor fuel tax funds, unless the easements are contributed soon by property owners along the route of the improvement, was voiced in a meeting of the city council Monday night.

The suggestion came from Alderman Sam Whitmer of the Second Ward who described the Johnson Road resurfacing and widening as "Our No. 1 priority street project" but added: "I am getting tired of sitting here waiting for the right-of-way for Johnson Road. If they (the people in the area) don't want the improvement, then I think we should shortly move off the Johnson Road project and use the money to move on to other things."

### Want To Sell

Whitmer said he had been informed that "some of the people who are holding up this job think they can sell right of way to the city for the project. I'll never take any selling for right of way on a job that means so much to the value of the property."

The Johnson Road project plans have been completed and all motor fuel tax financing has been approved by the state. Kenneth Kleberger, city consulting engineer, said he was ready to go on construction work as soon as the easements are cleared.

The delay results from the refusal this far of about 20 property owners along the route to donate easements ranging from one foot to four feet. Kleberger said the easements are necessary to bring the overall right of way width to 60 feet as required by the state.

Property owners in some cases are seeking payment for the easements, according to Alderman Gerald Parmlley and Thomas Boker who have been making efforts to obtain the easements.

### Location of Easements

Easements needed include those on five pieces of property in the 3300 block of Johnson Road, three in the 3500 block of Johnson Road, one in the 2200

block of Lindell Avenue, one in the 2200 block of Johnson Road and one in the 2200 block of Garfield Ave.

The Johnson Road improvement includes resurfacing and widening of the road to a 36-foot roadbed with curbs, gutters and drainage from Franklin Avenue to Pontoon Beach. City engineers said the improvement will do much to solve drainage problems in the area.

Mayor Donald Partney told the council Monday night that he plans to call a meeting of the property owners still holding needed right of way to discuss the matter with them. He said he hopes a meeting can be arranged within the next week.

## Cities to Protest Phone Rate Boost

The Granite City council Monday night authorized Mayor Donald Partney and City Attorney Leon Scroggins to join with other area officials in protesting an increase in telephone rates sponsored by Southwestern Bell Telephone Co.

The council was notified by the Illinois Commerce Commission that a hearing on the proposed rate increase is scheduled at Springfield at 9:30 a.m. Friday, Jan. 23.

Mullen will assume the duties of controller when Miller completes his present term on April 30, end of the city's 1970-71 fiscal year. Miller has announced his retirement from the office which he has held since 1942.

Mayor Sasyk said Mullen will work with Miller to acquaint himself with duties of the office.

**1 DAY WITHOUT A QUAD-CITY TRAFFIC FATALITY**

## Sewer Break Develops

A new sewer break which "appears serious" and may cost from \$20,000 to \$30,000 for repairs has developed on Faith Avenue near Warren Avenue, Mayor Donald Partney said.

The break occurred in the 1900 block of Faith Avenue Monday night. It is the first major sewer break since the series of breaks that plagued the city through most of 1969 began tapering off early last year. Repairs for sewer breaks during 1969 and the early part of 1970 cost the city more than \$1 million for repairs, the mayor said.

Mayor Partney's disclosure of the new problem stirred concern among council members and resulted in lengthy discussion of the problem of letting a contract for immediate repairs of the Faith Avenue break.

The mayor disclosed the new problem during the council session with the remark, "I have some real bad news for the council. He said the sewer at the point of the break is 13 feet deep and cannot be handled by the street department."

"The street department has equipment ready to start pumping around the break if that becomes necessary," he said, adding that "there is some flow through the sewer." The mayor added that he is "greatly concerned over where we are going to get the money."

Only a Guess  
He said his estimate of \$20,000 to \$30,000 for repairs is only a guess "since we will have to dig into the line to determine the extent of the damage."

In moving to obtain an immediate contract to meet the emergency, the council argued at length over whether it should attempt to employ A. H. Seebold Co. which handled the previous sewer repairs, or to advertise for new bids.

Alderman Paul Rutledge pointed out that the previous

contract with Seebold was on the basis of a price of \$100 per foot of pipe to be installed.

Several aldermen, however, said the council should be called. He made a motion to that effect.

Alderman Walter F. Nonn presented that this man (Seebold) went along with us and treated us fair on the price we paid for the work. I think we should call him to see if he will go along on these repairs at the old prices. Some aldermen agreed, "if we can do it legally." Rutledge's motion to call new bids was defeated.

A motion that Seebold be called to determine if he would do the work at the old price was presented by Alderman Gerald Parmlley, but before a vote was taken City Attorney Leon Scroggins was asked for an opinion on the legality of contracting for the work without calling bids.

Several aldermen, Nonn among them, commented that "we don't want to get in the same situation as the levee board."

Parmlley withdrew his motion to contact Seebold and proposed this action on grounds that it would not solve the question of legality over calling new bids.

"I withdraw everything," Parmlley said.

Most of the council members agreed by a vote that the question of legality was such that it would be better to call new bids.

To do so it was necessary to approve a motion to reconsider

GETTING THE HANG OF IT. Meredith Mullen, seated at left, appointed to succeed Madison Comptroller Edward J. Miller, checks filing procedure with Mike Sasyk looks on. Mullen's appointment by Sasyk was announced Tuesday. Miller will retire April 30 and Mullen will assume duties of the office May 1.

## Mullen New Comptroller

Appointment of Meredith G. Mullen, 1532 Seventh St., Madison, to succeed Edward J. Miller as comptroller of the city of Madison was announced by Mayor Mike Sasyk Tuesday.

Mullen will assume the duties of comptroller when Miller completes his present term on April 30, end of the city's 1970-71 fiscal year. Miller has announced his retirement from the office which he has held since 1942.

Mayor Sasyk said Mullen will work with Miller to acquaint himself with duties of the office.

The post pays \$10,200 per year. The appointment is subject to confirmation of the city council.

Mr. Mullen was introduced to the council by Mayor Sasyk during regular meeting Tuesday night, but no action was taken on the appointment at that time.

Mr. Mullen, 32, has been a resident of Madison 25 years. He formerly was employed as an assistant district administrator of the Illinois Department of Revenue and as an agent for an insurance firm. He also owned and operated a soft drink distributing firm.

**Educational Background**  
He attended Humboldt and McKinley College of St. Louis, the University of Minnesota and took courses in public administration and business relations at the University of Illinois.

He is a member of St. Mary's Church at St. Louis and is a member of the Madison Lions Club, Disabled American Veterans, Amvets and the Venice-Madison Post of the American Legion.

Miller has been an official of the city of Madison since May 1, 1957 when he became village collector while Madison still

was a village. When Madison was incorporated as a city in 1957, Miller was appointed comptroller by the late Stephen A. Maeras and has held the post since.

Mr. Miller also was a member of the Madison fire department from 1957 until last year, serving as its chief from 1959 until 1970.

**Order Slows Layoffs At General Steel**  
An order for 100 bulkhead flatcars with cast steel underframes, received this week by General Steel Industries, Inc., Casting Division, has slowed the schedule of planned layoffs at the local plant, Richard L. Rich, casting division president, announced today.

"The order will provide jobs for about 200 of our people for a period of approximately three months," Rich said. The order was received from Burlington-Northern railroad and was "a most welcome development."

Rich said the order will slow the order and the extended delivery schedule, no additional production workers will be called back, he said.

## Filing Opens for Levee Board Election; Supreme Court Still to Decide Need

The filing period for candidates seeking nomination and election to five trusteeships on the East Side Levee and Sanitary District board will open Monday, just two days before the Illinois Supreme Court is scheduled to act in a court proceeding to determine whether or not an election will be needed.

The filing period, which will be conducted for special primary and runoff elections ordered by Illinois Governor Richard B. Ogilvie who holds that the levee trusteeships are vacant because of the conviction of the present four trustees on misconduct charges, is set to continue through Feb. 2, according to Madison County Clerk Eulalia Hutz.

Similar filing periods will be conducted in St. Clair County under the governor's order because the district territory included areas of both counties. The levee district includes Granite City, Venice and Namekott townships and part of Chouteau township in Madison County, and Stites, Canteen, Centerville and most of East St. Louis townships in St. Clair County.

Governor Ogilvie has issued an election call for a primary election on May 4, followed by a runoff election on June 22. Since the

conviction on misconduct charges. The trustees—Morris Campbell, George Duff and Lawrence Tolar of East St. Louis, and William "Mike" Ebersold of Granite City—were removed from office by the county clerk of the county in which they are running.

Miss Hutz said yesterday that after the filing period closes on Feb. 2, those who have filed nominating petitions will have until Feb. 9 to withdraw if they wish to do so.

The Supreme Court hearing scheduled Jan. 27 will, in effect, determine if an election is necessary by acting on a plea by State Attorney Robert Rice of St. Clair County who asked the court to remove the present four levee trustees from office.

Rice has petitioned the high court to overrule an order of the Fifth District Appellate Court which permits the levee trustees to remain in office pending their appeal of the

conviction on misconduct charges. The trustees—Morris Campbell, George Duff and Lawrence Tolar of East St. Louis, and William "Mike" Ebersold of Granite City—were removed from office by the county clerk of the county in which they are running.

## Two traffic Fatalities Include School Girl, 7; Another Badly Injured

Two persons were killed in separate traffic accidents and five others were injured, including one critically, as 13 mishaps occurred this week on Quad-City area streets and highways.

A 7-year-old girl was killed and her 9-year-old companion was injured critically when they were struck by an auto in front of Maryville School at 3:05 p.m. Tuesday, immediately after the dismissal of classes.

Dead on arrival at St. Elizabeth Hospital was Nancy Lively, daughter of Mr. and Mrs. Terry (Dixie) Lively, 3424 Roney Drive, a second grade pupil.

Transferred from the hospital here to Cardinal Glennon Children's Hospital in St. Louis was Linda Hall, daughter of Mr. and Mrs. Norman (Kay) Hall, 4630 Maryville Road, a fourth grader.

Witnesses said the two girls ran in front of an auto driven by Randall R. Robertson, 18, of 4043 S. Kathy Drive, Pontoon Beach. No charge was filed.

The Hall girl, whose father is a sales supervisor for Illinois Power Co., suffered fractures of both legs and pelvis, a hematoma to the right side of her scalp, lacerations of the right thigh, numerous internal injuries and possible brain damage.

**Born in Belleville**  
The lively girl, whose father is employed by Chevrolet Motors in St. Louis, was born in Belleville and moved here with her family six years ago.

Besides her parents, she is survived by a brother, Gary 16, and her grandparents, Mrs. Martha Lively and Mrs. Amy Chavil, both of Willowville, Ill. Services will be held tomorrow afternoon. Details are given elsewhere in this issue. An inquest is pending.

Robertson told police that he was northbound on Maryville Road, traveling 15 to 17 miles per hour as he approached the school.

He said the sun was glaring in his eyes, and as he was adjusting the sun visor, he noticed something in the corner of his eyes and applied the brakes before striking the girls. He added that he did not see the girls before the accident.

Robertson's auto was in the right lane. He was passing several autos which had stopped in traffic in the passing lane for left turns onto the school lot.

**Describes Mishap**  
Ray Hadley, a maintenance man for the school district who was driver of the fourth auto passing through the area, said several persons who witnessed the accident.

Several kids ran from the west curb toward the east curb and the driver slammed on his brakes.

## Council Defeats New Move to Up Tax Rates

Three proposals for special tax rate increases in Granite City—already defeated on three previous occasions—were soundly beaten by the city council again Monday night after charges that one of the higher rates sought already is being extended at the statutory maximum without approval by ordinance.

The three tax rate boosts, each presented in separate ordinances, would:

1. Raise from 10 cents per \$100 assessed valuation the tax rate for fire protection purposes to a statutory maximum of 15 cents.

2. Establish a new rate of 5 cents per \$100 assessed valuation for police protection purposes. The city now has no specific rate for police purposes, all of the cost coming out of the general fund.

3. Increase the tax rate for sewer maintenance purposes from its present 2 cents per \$100 assessed valuation to 10 cents, or an increase of 8 cents in the present rate.

**Ordinance Presented**  
The issue came before the council when Alderman Paul Schuler, chairman of the Ordinance Committee, read the ordinance providing for the 5-cent increase in the fire protection rate.

Directing his question to City Attorney Leon Scroggins, Alderman Paul Rutledge asked: "We're getting the 15 cents now, aren't we?"

Scroggins replied that this was true under the rate pattern set by the office of County Clerk Eulalia Hutz for the 1969 tax year, for which taxes were levied by the office of County Clerk Eulalia Hutz for the 1969 tax year, for which taxes were levied by the office of County Clerk Eulalia Hutz for the 1969 tax year.

"You mean then," asked Alderman Clyde Boyd, "that after the council voted this ordinance, the 15-cent rate anyway?" Scroggins replied this was the case.

"Who had these ordinances brought in again tonight?" one of the aldermen asked.

"I did," Mayor Donald Partney replied, explaining that the city is confronted with a serious financial problem, has no police tax at present and is short of funds for sewer maintenance.

**Vote to Table**  
Alderman R. E. Robertson spoke at length on his opposition to higher taxes in Granite City and moved that the ordinance be tabled. His motion failed to receive a second.

Alderman Gerald Parmlley moved that the ordinance be placed on first reading. Rutledge's motion to "vote down this ordinance" won't mean changing the tax. We are already paying the 15 cents (per \$100 assessed valuation)."

Nine of the 14 aldermen present voted on roll call against the ordinance to place the bill on first reading. Those voting "no" were Aldermen Walter F. Nonn, Sam Whitmer, Boyd, William Dallas, Robertson, Roy Poulos, Claudia Green, Everett Morien and Schuler. Voting for it were Rutledge, Parmlley, Thomas Boker, Emerald Dawes and Charles Moerlein. Alderman George Baasch was absent.

Schuler then read the ordinance calling for creation of the 5-cent police rate, but Parmlley

pointed out that further action on the ordinances so far as the council was concerned was useless. "We've acted on these four or five times, and this is a waste of time," Parmlley said.

**Wants Vote of People**  
Parmlley said he thought such an issue should be left up to the people and moved that the three proposed tax increases be presented to the people of Granite City in a referendum held in connection with next April's municipal election. That election is scheduled April 6. The motion was given a second by Alderman Moerlein.

Alderman Schuler commented that "I think there is no question the city needs more money, but I also think we should be investigating new ways to raise money rather than raising taxes. I believe a city earnings tax would raise enough money that we might even be able to lower some of the taxes we have."

"Or a utility tax," one of the aldermen remarked without taking the floor.

**Motion Defeated**  
Parmlley's motion for a referendum lost 8 to 6 on a roll call vote. Those voting "no" were Nonn, Boyd, Dallas, Robertson, Poulos, Green, Morien and Schuler. Favoring the referendum

## Regional Report -- Highways, Pure Air, Raises in the News

(Illinois Metro East Industrial Development Corporation) The suspension of some highway projects because of non-compliance with the Ogilvie Plan for use of advanced trainees has once more become a possibility.

The Ogilvie Plan states that nine of 12 examined projects do not have sufficient advanced trainees and that the jobs of the Illinois Route Three connector to the Poplar Street Bridge. At a pre-hearing conference with the Highway Office division of the Illinois Division of Highways noted that the construction projects af-

fect include the improvement of Illinois 140 east of Alton and the Illinois Pollution Control Board is unconstitutional.

The company contends that the right of due process of law is abridged by allowing the board to establish the standards of air

purity. The Environmental Protection Agency is asking penalties that could range up from \$400,000. A second conference with Granite City Steel and the Environmental Protection Agency is scheduled for Feb. 1.

Ross V. Randolph, Police Director of the City of East St.

Louis, will resign on Feb. 1 to become a special consultant of the sheriff of Cook County. No action has been taken by the mayor or city council to fill the position of director of police.

The East St. Louis Chamber of Commerce has suggested that William Dye be appointed interim director of police; Dye is now director of training and

planning for the Police Department in East St. Louis. The St. Louis members of the Oil, Chemical and Atomic Workers' Union are affected by a two-year contract with the American Oil Co. Refinery in Wood River ratified by a 7 to 1 vote of the membership.

An 8 1/2% wage increase is included in the first year of the new contract and a 7 1/2% increase in the second year.

Other provisions of the contract include an additional paid holiday, a full pension paid by the company, and improvements in the hospitalization plan.

Six, Baer & Fuller has announced that this region is not one of the locations for two or three new suburban stores that St. Louis is considering building in the St. Louis region in the next five years. J. A. Baer II, president, said he considers the downtown store in St. Louis as the "east side" store.

Permits for new buildings valued at over \$11 million were issued by two municipalities in 1970: 520 permits for construction valued at \$7.3 million were issued in Alton, and in Granite City the value of the permits was \$4.1 million. Nineteen-seventy showed an increase of \$3.5 million in the value of building permits in the two cities.

Voters in Cottage Hills and Forest Homes approved a sewer project for the communities by a 61-vote margin.

The project will be paid for by the residents through a \$130 charge of \$9.22 by a \$32,000 grant from the U. S. Department of Housing and Urban Development, and possibly by an additional \$400,000 grant from the Illinois Environmental Protection Agency. March 1971 has been set as the target date for completion of the project.

In similar news, the Rosewood Heights Sanitary District Board of Trustees approved the preliminary plan for a \$2.3 million sewer system and treatment plant, and the Godfrey Utility Board expects to soon have an updated engineering report to be used in obtaining financing for the improvement of the Godfrey area sewer system.

A proposal to divide Madison County into 29 districts, from which members of the County's Board of Supervisors will be elected, has been prepared by the board's legislative committee.

The proposed districts are irregular in size and shape and have populations varying from \$39 to 10,500.

Most of the urban areas of Madison County are not in a single district. Illinois law requires re-apportionment of the county by July 1. Under the law, the Board of Supervisors, now composed of 49 members, must have no more than 29 members.

Marvin Meyer has been elected president of the Greater East St. Louis Chamber of Commerce and Richard Greene has been elected president of the Bethalto Chamber of Commerce.

The director and general manager of Belleville's Black Knights Drum and Bugle Corps, Forrest Cronin, died in Belleville.

Buddy Ebsen, Belleville native and star of the TV show, Beverly Hillsbillies, is appearing in a play at the American Theatre in St. Louis.

More than 285,000 people visited the Shrine of Our Lady of the Snows to see the Shrine's holiday lighting.

**Michael Adams Wins Award Second Year**  
Michael Adams, son of Mr. and Mrs. Donald G. Adams, 4068 Veseli Ave., a senior at Granite City High School, broke the rule set years ago by winning the "Outstanding" Black Knight of the Year award for the second straight year. Michael is 17.

The award, which is called the Corpman of the Year, entails many facets such as conduct, attendance, desire, working with other members, plus many other categories. He has been a member of the Champions for the past three years in competition and hopes they can continue their winning ways.

All members of the Corps are DeMolays, and must keep up their attendance.

## Lichtenberger Chairman-Chief Executive, Wilmsmeyer 1st National Bank President

At the annual organization meeting of the newly-elected board of directors of First Granite City National Bank on Tuesday, Paul H. Lichtenberger was selected chairman and chief executive officer, Harold R. Fischer vice-chairman, S. E. Pershall Sr., chairman of the executive committee, and Melvin C. Wilmsmeyer, president.

Lichtenberger joined the First Bank Staff as vice-president in April 1966. He was named executive vice-president in 1967 and president in 1967. Wilmsmeyer, a former national bank examiner, joined the local bank in 1965 as vice-president and was appointed as executive vice-president in 1968.

Fischer will continue in an advisory capacity and will devote his time to business development and community affairs.

### Officers, Directors

Officers re-appointed were: Charles L. Gavin, senior vice-president; Harold G. Bauman, vice-president and trust officer; L. J. Pittman, vice-president and comptroller; Earl G. Dotzauer, vice-president and auditor; Howard L. Ebertson, vice-president; Walter K. Gavlick, vice-president; Harry J. Johnson, cashier; George W. Reeves, assistant vice-president; Alex Schenofler, assistant vice-president; Herbert S. Camron, assistant cashier; Edward R. Pierce, assistant cashier; and Edward Uherick, assistant cashier.

Directors elected at the stockholders' meeting were: Fischer, Lyle F. Guiley, Howard W. Kasseberg, Lichtenberger, S. E. Pershall, Sr., S. E. Pershall, Jr., Carl A. Ranft, John W. Reese, Dr. John S. Rendleman, Otto H. Romann, John J. Stotze, Nicholas P. Veeder, Wilmsmeyer and Marion E. Wilson.

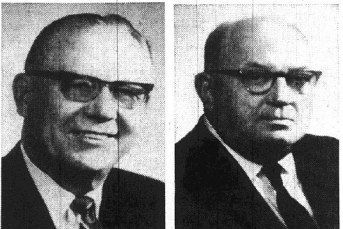

### Deposits at Record Level

Chairman Lichtenberger, in reviewing the past year's operations, said, "Results for 1970 were very gratifying. Net income for the year increased in excess of 17%, and deposits by \$4,048,000 or 8.7% to \$46,039,000, a new year-end high. "This indicates an increasing acceptance of the First Bank as the bank where full-service banking is more than a slogan. "We pledge that we will make even greater efforts in the year ahead to give our growing number of customers the best in banking services. "In May of 1970 we started a

campaign to increase the awareness of and respect for the flag of our country by making available flag lapel pins. We are happy to report that in a three-month period, we gave out 15,000 flags, the demand far exceeded our expectations. "We are presently making available in postcard form an appeal addressed to the Republic of North Vietnam, requesting more humane treatment of the American prisoners of war held by them."

Leon Volume Expanded Lichtenberger related that in spite of a substantial drop in loan demand in most areas, our loan requests have held up very well. Our total loans at year-end showed an increase of \$1,500,000. "We are continuing to grant

all legitimate demands for loans of all types, thus helping in the improvement and expansion of our trade area. "Prospects for improvement in business in the Quad-Cities in the coming year will depend to a great extent on a change in consumer psychology and an increase in their spending habits. "This will occur only if confidence in the efforts of our federal government to decrease unemployment and stimulate business is restored. "This report would not be complete without a tribute to our loyal and devoted employees. A bank, like any other business, requires teamwork on the part of everyone involved. I think our 'First team' is the best."

## Madison Fire Loss During 1970 Listed at \$20,107

Fire losses in the city of Madison totaled \$20,107, or a per capita loss of \$2.87, Eldon S. Rhoads, fire chief, reported to the Madison city council Tuesday night.

In an annual report compiled by his department, Rhoads said the firemen answered 91 calls during the year, 32 of which resulted in property damage.

In 42 calls, Rhoads reported, there was no loss. The department also responded to nine out-of-town calls for assistance, three first-aid calls and four false alarms. The total fire loss represented an average loss per fire of \$628, Rhoads said. The report was accepted by the city council.

To Attend Meeting In other action the council authorized Mayor Mike Sasyk, Meredith G. Mallen, controller appointee who will assume the new post in about two months, and one board member to attend a Home Rule Implementation Meeting Feb. 13th in Springfield.

The meeting will host representatives of most municipalities of less than 2,000 population in the state and will explain legislation as it relates to the implementation of the newly adopted state constitution, especially the home rule amendment.

Discussed will be the Constitutional Implementation Committee's analysis of the home

rule provisions, municipalities needs for the implementation of home rule and the interest of state agencies and other special groups as it might affect home rule.

To Oppose Rate Hike The council also agreed to give Mayor Sasyk the power to join with Granite City and Venice in sending a representative to a hearing in Springfield Jan. 29 to oppose a general increase in Southwestern Bell Telephone Co. rates. Sasyk said that if the other cities do not wish to attend or send a representative he will at least send a letter to the Illinois Commerce Commission opposing the rate hike.

The council also approved a proclamation to be signed by the mayor designating Feb. 4 as United Service Organizations (USO) Day in Madison. The move is part of a nation-wide campaign to celebrate the 30th anniversary of the USO.

Resolutions were approved appointing Mayor Sasyk, \$3,200 from the motor fuel tax reserve for street and highway maintenance projects in the city and requesting \$38,632 from the fund for monies expended during 1970 on maintenance.

A request by the City of Hope Medical Center for a permit to extend their fund raising drive into Madison was approved by the council. The comptroller was ordered to issue the necessary permit. The date of the

### Plan Film Showing at Mental Health Clinic

A film entitled "The Hyperactive Child" will be shown at the Mental Clinic, 3024 State Street, Tuesday, Jan. 26, at 7:30 p.m.

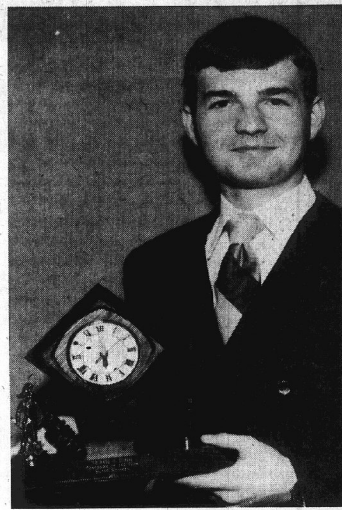

All parents or other interested persons are invited to view the film and take part in discussion groups.

Home Project Complete Alderman John Haynes informed the council that the first home built under the federal 235 program has been completed at 819 Franklin St. in West Madison. An open house will be held for the next 30 days. The home is the result of "much long and hard work by all concerned," Haynes said.

Alderman Stanley Krackowicki asked that the public grounds and buildings committee of the council visit the Madison Teen-Town building to determine if alleged incidents of flag desecration and other abuses of the building and its contents, brought to his attention recently, are true.

Mayor Sasyk instructed the committee to report its findings at the next regular meeting of the council Feb. 2.

### B&PW Group Attends Dinner

A number of local women, members of the Granite City Business and Professional Women's Club, were in Belleville this week to attend a golden anniversary celebration and dinner of the East St. Louis B & P Club at Augustine's Restaurant. The Granite City club was organized by the East St. Louis Club.

A 1:30 luncheon was followed by a welcome address and the introduction of the club president, Pat O'Mare. Special recognition was paid to the clubs founded by the East St. Louis club and the featured speaker was Harold G. Baker Jr. Several state officers were present and a gift was presented by the membership of the local club.

Those present from Granite City were Mrs. Lily Chaboudie, Mrs. Pauline Weir, Mrs. Verna Lengyel, Mrs. Dorothy Nenninger, Mrs. Genevieve Grady, Mrs. Lorraine Sadrakula and Mrs. Sylvia Wright.

The Granite City club is planning an anniversary celebration on Feb. 26 at the Rose Bowl. Mrs. Edna Kohlbrecher is serving as chairman.

MISS SANDRA MODROVIC, who will be married to Sgt. Gary A. Butkovich. The engagement has just been announced.

### Miss Modrovic Is Betrothed

The engagement of Miss Sandra Modrovic, a daughter of Mr. and Mrs. Frank Modrovic, 510 Bend Road, East St. Louis, and Sgt. Gary A. Butkovich, son of Mr. and Mrs. Walter Butkovich, 2051 Thirteenth St., is announced.

Miss Modrovic is a student at Southern Illinois University-Southwestern campus.

Her fiancé, who has been at home on leave, left Wednesday for Hunter Army Air Field at Savannah, Ga. Their wedding date has not been set.

### SENIOR CITIZENS AT ANCHORAGE HOLD PARTY

The Anchorage Senior Citizens held a pot luck dinner Wednesday at the recreation hall with about 75 present, including the following guests: Mrs. Nina Mathenia, Mrs. Grace Paddock, Mrs. Ruth Purkey, Mrs. Ethel Stark, Mr. and Mrs. Glen Christy, Mrs. Clara Earmey, Mrs. Eva Durham and Mrs. Della Rushing.

Games were enjoyed after the dinner and plans were made to hold a business meeting and birthday party Feb. 3.

### Mrs. Ault Installed By Newcomers Club

Mrs. Shirley Morrison, retiring president of the Granite City Newcomers Club, presided Monday night in the 300 Room of Tri Mo Bowl at the group's installation meeting.

Reports were given by Mrs. Phyllis Harming and Mrs. Pat Wyatt, and a letter was read from the Parents' Committee for Special Education thanking the Newcomers for their financial help.

Mrs. Joanna Spencer, social chairman, conducted the bridge installation services for the new officers.

Those installed are Mrs. Arla Ault, president; Mrs. Judy Swift, vice-president; Mrs. Louise Ware, secretary; and Mrs. Pat Wyatt, treasurer. Mrs. Spencer read the duties of each office, after which each lighted a candle of a color symbolic of her new office.

Retiring officers were recognized for their service to the club, and Mrs. Morrison was presented a past president pin by Mrs. Betty Schuster on behalf of the organization. Other outgoing officers are Mrs. Gloria Tanner, telephone correspondence; Mrs. Sylvia Massman, yearbook; Mrs. Barbara Maycock, ways and means.

Mrs. Ault, the new president, spoke briefly to the group and announced chairman for the coming year. They include Mrs. Mary Jane Hart, membership and hospitality; Mrs. Gloria Tanner, telephone correspondence; Mrs. Sylvia Massman, yearbook; Mrs. Barbara Maycock, ways and means.

Mrs. Judy Ozer, knitting and sewing; Mrs. Judy Pifer, bridge; Mrs. Wanda Bartling, bowling; Mrs. Connie Brauer, cheer; and Mrs. Joan Baving and Mrs. Sarah Rapp, social chairwomen.

Mrs. Pifer announced that 14 new members are welcome to join the bridge group, which meet on the first and third Wednesday evenings, as well as the couples' bridge club, which meets the fourth Saturday night of each month. She said bridge lessons soon will be available for those interested.

The evening's prize was won by Mrs. Bartling, bowling chairman, invited members to participate in monthly couples' bowling parties held on the third Saturday at Tri Mo Lanes, and also reported that openings are available in the Newcomers Club Tuesday morning league.

The evening's prize was won by Mrs. Jean Bevins. Refreshments were served and a social hour was enjoyed. New yearbooks were distributed by Mrs. Dody Stevens.

### Mrs. Marie Brummer Fulp Is Honored for Civic Leadership

Mrs. Marie Brummer Fulp, a Quad-Citizen until moving to Wood River in 1939, was honored Monday as one of the Louis area's ten "women of achievement" for 1970. She was cited for civic responsibility.

The award luncheon in the Khorassan Room of the Chase-Park Plaza Hotel was attended by over 300 persons, including many of her friends from Granite City and Wood River. She also was the recipient of an award in November from the Wood River Women's Club.

Mrs. Fulp was born in Venice and moved with the family to Granite City in 1920. She is the daughter of the late William H. and Louise Brummer; they lived at 2310 Delmar Ave., where a brother, Walmer Brummer, still resides.

She was baptized and confirmed at St. Peter's United Church of Christ (Evangelical and Reformed), where she was a Sunday school teacher for a number of years. A graduate of Granite City High School, she lived a past worthy matron of the New Hope Chapter, Order of Eastern Star, Granite City.

She was married in 1938 to Karl Fulp, owner of a major pharmacy in Wood River, who died in 1963. She has continued operation of the store.

Mrs. Fulp for the past 20 years has campaigned, primarily behind the scenes, for such programs as the city manager form of government, drainage, hospital expansion and a public library.

Initial meetings of the Wood River Citizens Committee for Better Government took place in her home.

"Some of the issues failed once or twice and sometimes

MRS. MARIE FULP

more, but eventually we got most of them through," she recalls. A new hospital wing to be opened this year includes a room donated by her and her son, Barney.

Her philosophy is that "if you don't like what you see, you have to do something about it. You have to become involved; that's all there is to it."

Active in the Wood River Women's Club, she is vice-president in charge of community relations for the Wood River Chamber of Commerce. She is active in St. John's United Church of Christ, Wood River. Those at a special table honoring her Monday were Walmer Brummer; her son and daughter-in-law, Mr. and Mrs. Barney Fulp; and Mr. and Mrs. Jerry Truller, Mr. and Mrs. John Harmon and Mrs. Courtney Motz.

### Opti-Mrs. Club Meets, Installs New Officers

The Opti-Mrs. Club met Monday at the Rose Bowl with Mrs. Lorraine Ranft, president, in charge.

The hostess committee consisted of Mrs. Mabel Farrington, Mrs. Blanche Blake, Mrs. Elsie Branding, Mrs. Ruth Brave, Mrs. Magdalena Brennkemeyer, and Mrs. Judy Day.

After the noon luncheon Mrs. Ranft called the meeting to order and a report of the nominating committee was submitted. The officers for 1971 are to be installed at the February meeting.

Games provided entertainment after the business hour and prizes were won by Mrs. Kay Arnold, Mrs. Lydia Nelson, Mrs. Ranft, Mrs. Myra Parrish and Mrs. Goldie Fischer.

Others present were Mrs. Louise Anderson, Mrs. Lane Auffer-

heide, Mrs. Edna Bickel, Mrs. Sara Dempsey, Mrs. Peggy Edwards, Mrs. Elsie Henley, Mrs. Nellie Jennings, Mrs. Virginia John, Mrs. Tommie Kirchhoff, Mrs. N. H. Roseman, Mrs. Catherine Michel, Mrs. E. I. Odum, Mrs. Ruth Sternberg, and Mrs. Mary Werner.

The next meeting will be held in February at the Rose Bowl.

## Council Balks Again at Plan Commission Recommendation on Beauty Shop Permit

Granite City council members became enmeshed in a maze of parliamentary procedure and legal opinions Monday night in a new effort to block a recommendation of the City Zoning and Planning Commission concerning issuance of a use permit for a beauty shop in a residential district.

The issue involved was one of two in which independent action by the council so irked the zoning commission a month ago that members of that board wrote a letter to the council announcing plans to resign "if this is going to continue to be the policy of the council."

The action on recommendations by the Zoning and Planning Commission developed into a lengthy debate after Alderman Thomas Baker of the Seventh Ward sought council approval of a use permit on a petition by Joyce Falkenheim, 1644 Primrose Ave. for operation of a beauty shop in her home.

The zoning commission denied the request after a hearing Jan. 14 and recommended to the council that it concur in the refusal Monday night.

The zoning commission's report on the Falkenheim matter was coupled with a report on a petition by J. C. Brewer of the Brewer Motor Co., requesting a zoning change on lots at 2136 and 2138 Grand Ave. to be used for parking. The commission's report also recommended denial of that petition.

Didn't Know About It  
The commission's report on the two matters hit its first snag when it was read by City Clerk Robert Stevens. Moerlien of the Fifth Ward, who is chairman of the council's Zoning and Planning Committee, obtained the report from Stevens and said, "this is the first I have seen this."

Moerlien made a motion that the report be placed on file. "Don't you want to move for any action on the recommendation?" Mayor Donald Partey asked.

"No," Moerlien replied. "I haven't had a copy of this report and don't know anything about it. I move to place it on file."

At that point Alderman Baker interrupted with an amendment to Moerlien's motion, calling for "overriding" recommendations in that part of the report referring to the Falkenheim petition for a use permit.

"You can't do that," the mayor said. "You would have to separate the issues."

Recommended Permit  
Baker then moved to separate the Falkenheim recommendation from that of the Brewer request. He included in his motion that a use permit be granted to Joyce Falkenheim at the Primrose Avenue address for a period of one year, with renewal thereafter based on "how things work out."

Legality of this action was questioned and Baker asked City Attorney Leon Scroggins for an opinion. Scroggins replied he was unable to give an off-hand opinion, but could provide one in the next council session.

Baker rephrased his motion and the Falkenheim matter was separated from the zoning commission report to permit time for obtaining a legal opinion on a one-year permit. The motion carried.

On Moerlien's original motion to place the report on file, eight aldermen voted "yes" and five Alderman Charles Moerlien of the Fifth Ward, who is chairman of the council's Zoning and Planning Committee, obtained the report from Stevens and said, "this is the first I have seen this."

Councilmen favoring filing the report were R. E. Robertson, Claude Green, Moerlien, Walter Nona, Baker, Gerald Parmley, Emerald Dawes and Everett Moerlien.

With that part of the report pertaining only to the Brewer request for rezoning now on file, Alderman Boyd moved that the report of the zoning commission be accepted. This had the effect of concurring in the denial of the permit to Brewer Motor.

On a roll call vote, all council members voted "yes" with the exception of Moerlien, who said he still wanted the report.

The Falkenheim petition for a use permit was one of two issues involved in mid-December in independent actions taken by the city council on zoning matters that had not been acted upon by the zoning commission.

At that time the city council approved the issuance of a use permit for manufacture of ceramic articles in a residence in the 2500 block of Madison Avenue, without action by the zoning commission. The council at the same time, at Baker's request, referred to Baker the petition for rezoning of the lot, without referring the matter to the zoning commission.

Commission members, in a subsequent letter to the council, objected to the actions in such matters. As a result, the council rescinded the use permit for the manufacture of ceramic novelties and referred the Falkenheim petition to the zoning commission.

The Falkenheim request for a use permit was considered by the Zoning and Planning Commission last week, resulting in the report presented to the council Monday night.

On Moerlien's original motion to place the report on file, eight aldermen voted "yes" and five Alderman Charles Moerlien of the Fifth Ward, who is chairman of the council's Zoning and Planning Committee, obtained the report from Stevens and said, "this is the first I have seen this."

## A. O. Smith Earnings Down

Earnings of A. O. Smith Corp. in 1970 were substantially below the record set in 1969, but above earlier predictions. L. B. Smith, chairman and chief executive officer, announced yesterday.

Profits from operations were \$7,287,004, or \$2.85 per share in 1970, compared to \$14,559,501, or \$5.84 per share in 1969, Smith said. Major cause of the profit drop was the General Motors strike, Smith said.

A strong year-end surge helped the company improve on its prediction of "\$2.60 or better," made early in December, Smith said.

In addition, the company had net extraordinary income of \$2,146,000, or 87 cents per share, resulting primarily from the sale of businesses. There was no extraordinary income in 1969.

by the governor would be in order.

On the other hand, a ruling upholding the appellate court would permit the trustees to continue in office pending outcome of their appeals through the appellate court and possibly the Supreme Court, a matter that could take several years.

This would thwart any special election this year. The present terms of the levee district trustees expire in 1972 when a regular levee district election would be scheduled.

Normally the levee board consists of five members, but it has been operating since the summer of 1969 with only four trustees due to the death of Joseph Grant of Granite City. Cost of the election through-out the bi-county district has been estimated at \$140,000, an amount included for that purpose in the 1971 levee district budget.

JAMES H. KARANDJEFF Vice-President

## James H. Karandjeff Officer Of American National Bank

James H. Karandjeff was elected yesterday as a vice-president of the American National Bank of Granite City.

Those re-elected were Henry D. Karandjeff, chairman of the board; Harold F. Karandjeff, president; Charles J. Barcovic, vice-president; David Giese, cashier; Henri Johnson, auditor; Leo Koth, assistant vice-president; and Helen Mangoff and Sylvia J. Roy, assistant cashiers.

James H. Karandjeff, son of Mr. and Mrs. Harold F. Karandjeff and grandson of Henry D. Karandjeff, resides at 42 Fairway Estates, Arlington Heights, with his wife, Kathy. Associated with the American National Bank since January 1968, he holds a bachelor of arts degree with a major in economics from Westminster College, Fulton, Mo., and certificates for bank officer training seminars.

During his Army service, he was assigned to Finance Corps duties at Fort Belvoir and Fort Lee, both located in Virginia.

Eight Directors Named  
Directors chosen yesterday for 1971 were the board chairman, the president and Arthur F. Buente, William Kozayak, Robert Maddox, M. Freeman Wolfe, Dr. A. D. Karandjeff and William F. Winter, the latter two are new board members.

Winter is editor of the Press-Record, the director of the Chamber of Commerce, chairman of the Chamber citizenship committee and chairman of the Tri-City chapter of the American Red Cross. He is married and has one son.

Dr. A. D. Karandjeff, a medical doctor, is a brother of Henry D. Karandjeff and is a former Granite Cityan. Residing in Richmond Heights, Mo., he has offices in St. Louis for the treatment of ear, nose and throat patients.

He holds bachelor of science and doctor of medicine degrees from the University of Illinois and did graduate work there and at the University of Minnesota. He is married and is the father of four sons.

Steady Growth in Deposits  
Board Chairman Henry D. Karandjeff commented at the annual meeting of shareholders that "growth of the American National Bank has proceeded on an orderly, consistent basis."

"Total deposits show an increase of 10% during 1970 on a daily average basis."

"The number of customers being served is increasing, and studies are under way to increase the physical capacity of the bank to handle more customers efficiently. Minor changes in the hours of the drive-in tellers have enabled us to continue without substantially increasing expenses in salaries, equipment or building."

"The program of the bank will continue to be one of conservative, sound and careful management. We are proud of the employees officers and directors and feel that each of them contributes to providing the best possible banking service to our customers."

Board members are elected by the membership of the Tri-City Area YMCA, and may serve two consecutive three-year terms. The 24 board members serve on special committees in addition to attending monthly board meetings.

Board members include C. E. Blankenship, Dr. W. W. Bowers, Sylvester A. Dulgeroff, William L. Harris, Mrs. Margaret Lee, Rev. David Maston, W. Theodore Overbeck, Frank R. Rea, M. G. Reinhardt, Arthur Roseman and Glenn A. Wolfe.

## Chiefs Squeak By 28-25 in Mat Meet

After taking a 21-10 lead at the end of the fifth match, the Prather Chiefs matmen barely squeaked by Belleville East Tuesday afternoon 28-25 in a home meet.

Pins by Andy Knott (112), Tony Martin (119) and Chester Fetter (120) in 3:40, 1:40 and 3:45, and decisions for Phillip Lapinski (98) and John Micalesuk (103), gave the Chiefs a commanding lead going into the 32-pound class.

Tom Ambuehl could only manage a draw in that match (4-4) and from there on the meet was downhill for the Chiefs. They gained five points on a forfeit for Greg Blackwell (45) but lost the last five matches in the meet.

Losers by pins were Mike Moran (155), Steve Kronra (147), Steve Goodson (185) and Jeff Blackberry (heavyweight). Danny Waugh (138) lost his match on an 8-2 decision.

## Red Devils Overtake Roosevelt by 74-64

The Venice High School Red Devils poured in on in the second half to overtake Roosevelt of St. Louis 74-64 in a road basketball game Tuesday night.

Tied 14-14 in the first quarter, the Red Devils fell behind at the half 32-30. But the third quarter saw Venice get hot, out-pointing Roosevelt 23-14 to take the lead at 53-46.

Red Devil Cedric Gardner was high point man with 26, while leading Roosevelt was Guard Tyler with 16. Other Red Devils scoring were Doug Johnson 22, Jim Ohlendorf 17, Ray Mosby 5 and Algie Smith 4.

Venice led in field goals 27-23 and free throws 20-18. Roosevelt committed 18 personal fouls and Venice had 17.

With the Roosevelt victory the red Devils have an overall record of 12-3, faster pace than last season which shows signs of continuing through their final games into the District Tourney Feb. 22-26.

Coach Bill Ohlendorf said,

"The boys played a good game against Roosevelt, and I am fairly well satisfied with every one's performance. The St. Paul (Highland) game here Saturday could be a tough one. I saw them play earlier this season and they are a good, quick club."

The Venice junior varsity also won its game 63-56.

**FINGER-TIP CONTROL.** John "Champ" Summers (42) of Southern Illinois University-Southwestern appears to be spinning the ball in the Cougars 97-83 victory over University of Missouri-St. Louis. Summers took runnerup scoring honors to Rich Essington, 25 to 32. In the center is the Cougars' sophomore area guard Denny Thorneburg (24), and Essington is at right (12). Between Thorneburg and Essington is UMSL's Francis Goelner.

## Cougars at Half-Way Stage With Impressive 11-2 Mark

Southern Illinois University-Southwestern's basketball team, zooming along with an 11-2 record, has reached the exact half-way stage of its 26-game campaign following its impressive 97-83 victory last Saturday night over the University of Missouri-St. Louis on the Cougars' floor.

UMSL had beaten SIU, 97-76, in season openers for both teams, Dec. 1.

It was a tremendous showing for new SIU-SW Coach, Jim Dudley, who signed on with the Cougars at the end (April) of last season's 7-18 record. Dudley, making his debut as a four-year college coach, had built an impressive winning record as head mentor of Lake Land Junior College at Mattoon where he'd built a 27-7 winning percentage overall and .854 against junior colleges.

Thirteen-game statistics give definite clues as to SIU-SW's strength. Overall squad depth with 10 of its 15-man squad seeing action in 11 or more games is the number one factor. Dudley has used four different combinations, depending on the opposition, in his winning season to date. And, secondly, he has gotten superb performances from two brilliant guards, sophomore Rich Essington and sophomore Denny Thorneburg.

Thorneburg, a leftshander from Westfield, Ill., took over third place in free-throw shooting among college division teams in the United States in the latest figures (Jan. 9) released by the National Collegiate Sports Services' official basketball statistics.

He's hit 63 of 69 in their 11-game figures, but the Cougars have played two more games and he's dropped to .899 on 71 out of 79 up-to-date stats. Last year's free throw national champion won it with a .900 figure.

From the floor, Essington's 32 points against the UMSL Riverton Saturday gave the Venice native the Cougars' lead-ership with 20.08 per game average. Percentage-wise, however, Thorneburg is in front with a .470 mark. Next is Jerry Blomquist with .469 and Essington with .466.

Coming on strong is John "Champ" Summers who, with Essington, is the only other regular back from last year. After a slow, uncertain start, Summers has played key roles in the Cougars last seven games and scored 25 points for SIU-SW against UMSL Saturday. It was Champ's eight straight points with seven minutes remaining in the game which broke the Riverton's hopes of pulling the game out. They had pulled to within nine points when Summers put on his drive. He's now the third highest scorer with a 11.54 game average.

Most important in explaining SIU-SW's winning ways was the team's overall scoring and per game totals averaging 86.52 points per game, the Cougars are now in the nation's top 20 leading offensive teams. Improving quickly, too, is the Cougars' defense: in their last five games they have held their opponents to a 25-point spread.

Most impressive individual record is that of Essington. In addition to leading in scoring, he's far and away the leader in assists with 109. Next in assists is Thorneburg with 44. Third is Summers with 29.

In rebounding it's a two-player race between Blomquist (80) and Summers (85), although Big Jerry has almost one-third more playing time.

This week the Cougars traveled to Nashville to play Tennessee State University, 11-1. They will return home for a Saturday night contest at the Edwardsville High gym with Culver-Stickton of Canton, Mo. It will be first games with these two clubs.

## Warrior Cage Team Now 14th in State

Granite City High School's basketball team dropped three places to 14th in the state-wide pin Illinois teams.

The local Warriors, the only area team to make the top 16 in the state, boosted its overall record to 10-4 with a 62-53 victory over Belleville-East in their only outing last week.

Previously last, Thormore of Dolton and LaGrange of Lyons retained the first three rankings, respectively.

**3,642 Geese Bagged in Two State Area**

Illinois hunters killed a total of 3,642 geese on state shooting areas during the 1970 season according to Jim Lockhart, supervisor of Wildlife Resources for the Illinois Department of Conservation.

The Union County public shooting area had 2,795 geese killed, and on the Horseshoe Lake public shooting area, 847 birds were bagged.

"This year started out very slow," Lockhart said, "but the hunting picked up late in the season and we did better than expected. Last year we had 2,299 geese bagged on these same two areas, so we increased our kill by more than 1,300 birds."

Close to 6,000 hunters made use of the state-owned facilities during the 70-day hunting season, Lockhart said.

## Pheasant Hunters Fare Well in State

Pheasant hunters fared well on state shooting areas during the 1970 season, according to Jim Lockhart, supervisor of Wildlife Resources for the Illinois Department of Conservation.

He said 38,679 pheasant were killed in the seven public shooting areas. A total of 24,413 hunters made use of the facilities, which averages out to more than one and one-half birds per hunter.

"This was an excellent year of birds killed for a 47-day season," Lockhart said. "This year we had an increase of 379 birds over last year's hunting in the same public areas."

A breakdown of the public shooting areas and the number of birds killed in each is: Chain O'Lakes, 1,700; Carlyle Lake, 10,288; Des Plaines, 8,971; Green Valley, 4,539; Inquois, 3,387; Richland County, 4,716; and Shelby, 4,589.

## Cougars Bow To Tennessee Team 107-94

Tennessee State puzzled Southern Illinois University - Southern Illinois basketball Cougars sufficiently early in the game to take a 22-2 lead and then held on to gain a 107-94 victory Wednesday night at Nashville.

The Tennessee Tigers, ranked fifth among the nation's college division teams, were being pushed 46-39 at the half, but then quickly pulled away to a 68-41 advantage early in the second half.

A bright outlook for the Cougars was the continuing upsurge of John "Champs" Summers who totaled 34 points to tie for game honors. He connected on 10 shots from the field. Sophomore Denny Thorneburg added 23, while Rich Essington was held to 14.

It was the third loss in 14 outings for Coach Jim Dudley's Cougars squad, while the Tennessee team continued its successful march at 11-1. There will be a return match between the two teams at 8:15 p.m. Jan. 30 in the Edwardsville High School Gym.

The Cougars will host Culver-Stockton at 8:15 p.m. Saturday.

**Quarterly Net Sales of Amsted Show Increase**

Amsted Industries today announced it had net sales of \$65,392,000 in the three months ended Dec. 31, 1970, up from \$64,970,000 last year. Net income was \$886,000, or 36 cents per share, compared to \$1,802,000, or 64 cents per share, a year ago. Amsted Industries includes American Steel Foundries of Granite City.

Joseph B. Lanterman, chairman, and Goff and president, reported that the rise in sales was the net result of an increase in shipments of railroad products and a decline in industrial products. Railroad sales were up primarily as a result of a higher demand for steel wheels for freight cars to be used for replacement purposes.

## Answers To Tax Questions

Q) What kind of mistakes held up taxpayer refunds last year?

A) Refunds were delayed when taxpayers had to be contacted to supply information they forgot to include—or listed incorrectly—when they filed their Form 1040's.

Missing W-2 forms, missing signatures, and missing or inaccurate Social Security numbers were some of the major types of errors.

Q) I have a partial scholarship that covers some of my college costs. Do I have to report this as income?

A) Most scholarships are not taxable and do not have to be reported.

Since there are many different types of scholarships, check with the organization that gave it to you for information on its tax status.

Details can be found in Publication 507, Tax Information on Scholarships and Fellowships, available free by sending a postcard to your local IRS office.

Q) What taxes can I deduct on my return?

A) If you itemize deductions, then your state and local income taxes, personal property, real estate, general sales and state and local gasoline taxes may be deducted. List these on Schedule A, Itemized Deductions.

Federal taxes such as Social Security tax or those on alcohol or tobacco are not deductible. Hunting licenses, driver's li-

cesses or auto inspection fees are also not deductible.

Q) What are the new tax rates for single people? I can't find them in the 1970 instructions.

A) These rates go into effect for the 1971 tax year and therefore do not affect the 1970 tax forms and packages that were

just mailed out.

The new withholding schedules just issued to employers do incorporate the rates for single people, however.

### The Board of Directors:

We have examined the statement of condition of STATE LOAN AND SAVINGS ASSOCIATION as of November 30, 1970. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying statement of condition presents fairly the financial position of STATE LOAN AND SAVINGS ASSOCIATION at November 30, 1970, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

### Madison Ladies Elect Officers

Mrs. Ada Walker was re-elected president of the West Madison Women's Civic Club at a meeting held Tuesday evening in the home of Mrs. Jamie Kemp, 821 Franklin St., Madison.

Named to serve with Mrs. Walker for 1971 were Mrs. Kemp, secretary; Mrs. Mattie Young, assistant secretary; Mrs. Sarah Byrd, treasurer; and Mrs. Christine Haynes and Mrs. Lolita Jenkins, business managers.

The meeting opened with prayer repeated in unison and Mrs. A. Walker conducted the business session. Reports were presented concerning two special projects of the women's group—distribution of Christmas treats to area children and sponsorship of a senior citizen's fellowship dinner on New Year's Day. Both events are annual projects of the club.

Refreshments were served by the hostesses and the evening concluded with games. Members were invited to meet Feb. 16 at the home of Mrs. Byrd.

### HOSTESS TO PAST MATRONS

Mrs. Estella McBrien entertained the Past Matrons Club of New Hope Chapter 432, Order of Eastern Star, Tuesday evening. After a business session games were played and prizes were won by Mrs. Ann L. Mueller, Mrs. Mary Connors, Mrs. Sara Dempsey, Mrs. Louise Cook, Mrs. Lou Anderson and Mrs. Gertrude Lowy.

Others present to whom refreshments were served were Mrs. Gertrude Lowy, Mrs. Bess Weiss, Mrs. Thelma Johnson, Mrs. Carol Hildebrand, Mrs. Roberta Lester, Miss Anna Wilcox and a guest, Mrs. Donna Woodard, worthy matron of the chapter.

### Surprise Birthday Fete Held for Mrs. DeRuntz

Mrs. Helen DeRuntz, 2145 Grand Ave., was guest of honor this week at a surprise birthday party given by her family at the Knights of Columbus Hall. A buffet dinner was served from an attractively appointed table which held a lovely centerpiece, a gift from a son-in-law and daughter, Mr. and Mrs. Dana Lutton of Tallahassee, Fla., the only members of the family circle who were unable to attend the party, except for another daughter, Mrs. Mary Windish and three sons of Oklahoma.

There were many other gifts and messages of congratulation for Mrs. DeRuntz, who once was selected as Granite City's All-America City Mother.

### Candace Bell Betrothal Told

The wedding of Miss Candace Ann Bell, of Abilene, Texas, a daughter of Mr. and Mrs. Charles A. Bell, 2537 Roney Drive, and Daniel Paul Hovey, whose father is Paul Hovey of Boston, Mass., will take place at the Highland Avenue Church of Christ in Abilene Jan. 30.

The engagement and wedding date have just been announced by the bride-elect's parents. Miss Bell graduated from Warsaw High School in Colorado Springs, Colo., and Patricia Stevens School in St. Louis, Mo. Hovey, a 1967 graduate of a high school in Boston, is in the Air Force, stationed in Boston.

COUNTY LEGAL SECRETARIES officers installed for 1971 are (left to right) Mrs. Thomas Garvey, representative to the National Association of Legal Secretaries; Mrs. Max Stierwalt, treasurer; Mrs. Claudia Terry, vice-president; Mrs. James Adcock, president; Mrs. Darrell Duncan, recording secretary; and Mrs. Charles Krepel, governor.

### Legal Secretary Unit Organized in County

With 44 charter members, the newly-formed Madison County Legal Secretaries Association has chosen Mrs. Verla Adcock of Alton as president, Mrs. Claudia Terry of Granite City as vice-president and Mrs. Deanne Duncan of Alton as recording secretary.

Other charter officers are Mrs. Connie Stierwalt of Godfrey, treasurer; Mrs. Barbara Garvey of Alton, National Association of Legal Secretaries representative; Mrs. Ann Krepel of Alton, governor (serving on state administrative board); and Mrs. Susan Herred of Alton, corresponding secretary. Chief Circuit Judge William L. Beatty was installing officer.

Guests included Mrs. Helen Johnson, national director and Sharon Johnson, president, both of the Illinois Association of Legal Secretaries; and Mari Schiff, NALS' immediate past president.

A dinner meeting has been set for 6:30 p.m. Feb. 2 at Hotel Stratford, Alton.

The NALS, whose motto is "We serve," is a nonpartisan, nonsectarian, nonunion and non-profit organization formed to further the legal secretary's knowledge of the law and to uphold its honor and dignity; to stimulate a high order of business and professional attainment; and to create a high standard of ethics among its members.

The association fosters training programs for young women desiring to become legal secretaries, as well as courses for advanced legal secretaries. Social activities among its members are also encouraged, in addition to monthly meetings. Persons engaged in work of a legal nature are eligible to join.

### Dental Assistants Hold Meeting

Members of the Mississippi Valley Dental Assistant's Society met Tuesday evening at the Tade Dental Laboratory in Belleville for the group's initial meeting of the new year.

During the evening, Tilghman Tade and members of the laboratory staff demonstrated various stages of preparation for crown and bridge work and related prosthetic cases. Questions were answered and the visitors were escorted on a tour of the facility.

Refreshments were served to 14 society members taking part in the educational field trip. Mrs. Edna Trower of Alton, president, said the group will next meet at Southern Illinois University-Alton campus on Feb. 16.

### Patricia Teetor Engagement

Mrs. and Mr. John O. Teetor, 3005 Indiana Ave., are announcing the betrothal of their daughter, Miss Patricia Carol Teetor, to Gary Lee Spray, whose parents are Mr. and Mrs. Rex Buckingham, Route One, Sand Road, Edwardsville.

Both young people are graduates of the Granite City High school and the bride-to-be is employed in St. Louis. Mr. Spray is an employee of the Granite City Steel Co., in the Blast Furnace Division.

### 'Fashion on Move' Show Here March 28

The Granite City Junior Service Club began 1971 with a business meeting Monday evening at the Civil Defense Building. The president, Mrs. Charlene Pohlman, presided and bills were approved.

Reports were given on eye-glasses and other charity for school children. It was decided to donate to the March of Dimes drive. Final reports were submitted by chairmen, Mrs. Flora Mae Lensing, gift wrapping; Mrs. Jean Ann Vreelick, cards; Mrs. Marge Pennell, hot baskets for the needy; Mrs. Loretta Kerkovits, toys.

Thank you cards were received from recipients of baskets and gifts at Christmas, and Victor Koenig expressed appreciation for the club's participation in the recent mock emergency alert. Mrs. Carolyn Thornburg reported on a federation meeting at Staunton, and noted that the Granite City club will be responsible for providing a vice-president at the next federation meeting.

Co-chairmen, Mrs. Carol Tritsch and Mrs. Linda Salich, informed the club of committees and arrangements for a "Fashion on the Move" show that will be held at the local YMCA March 28 from 2 to 4 p.m., with Ron Jacobson as narrator. It was voted to aid the Salvation Army following the style show.

Mrs. Geri Gavlick, 401 Vesel Ave., will be in charge of a "probie" party in her home Feb. 22 and Mrs. Mary Lou Worthen will serve as chairman of the "birthday club" at The Colonnades nursing home Jan. 25 at 6:30 p.m.

Hostesses, Mrs. Louise Kovar and Mrs. Shafner, served refreshments. A board meeting will be held Feb. 8 and a club gathering Feb. 15.

## Venice Schools Target Of Bomb Threat Calls

### 'I Apologize' Theme Of Talk To Rotary

The Rev. Wendell Garrison, pastor of the Suburban Baptist Church, 2000 St. Clair Ave., delivered a preview of a talk he will give at baccalaureate services to be held in his church in May, at the Madison Rotary club meeting Wednesday night, in the Madison Recreation Center, Seventh and Lee Streets, Madison.

The title of his talk was, "I Apologize," in which he told the group "I apologize for adult hypocrisy, I apologize that it is adults who, while preaching against youthful indulgence in drugs, sick cigarettes and sip cocktails, I apologize that it is adults who call dirty movies and books 'Adult Entertainment.'"

"I apologize for a materialistic spirit that has to one degree or another infected us all. As the Bible says, 'The love of money is the root of all evil' including the pollution of our environment, and for this I apologize."

Rev. Garrison continued, "For trying so hard as parents to give you everything except ourselves—I apologize."

Garrison pointed out the many double standards that the adult society forces on the youth.

Twenty-four Rotarians and guests attended Wednesday's meeting.

Bomb threat hoaxes directed at Venice schools, averaging one a week in recent weeks, are causing disruption in classroom schedules and, on one occasion, resulted in evacuation of a school building in the middle of a downpour, Supt. of Schools John O. Pier informed school board members Monday night.

The latest incident occurred at 10:13 a.m. Monday, Pier said, when an unidentified caller told Venice High School Principal Lewis E. Sabin that a bomb had been placed in the school and was set to go off in 20 minutes.

The 50th Ordnance Detachment, a bomb disposal unit based at the Granite City Army Depot, searched the premises along with Venice police officers. A similar incident happened at 12:06 p.m. last Wednesday, when a caller telephoned Supt. Robert N. Vickers reporting a bomb had been left at the school.

Neither search disclosed a bomb, Supt. Pier said, noting that an investigation by police to locate the malicious prankster is continuing. The caller spoke in a youthful voice, Vickers said.

**Hire Security Officer**

In other business Monday, board members agreed to hire Robert Davis, as a study hall and physical education instructor, and Laymon Stinson, as a security officer. Both were hired on a temporary basis for the remainder of the current school year and were assigned to Venice-Lincoln Technical Center.

Supt. Pier was authorized to file claims under Public Law 874, which provides reimbursement to school districts for children of federal employees.

It was noted by Asst. Supt. Vickers that reduction of the Granite City Army Depot work force is expected to cut the Venice district's annual PL 874 reimbursement by approximately half.

**Makes Honors List**

Curtis Allen Russell, son of Mr. and Mrs. R. B. Russell, 1548 Spring Ave., was placed on the honors list for the fall semester at Southwest Baptist College, Bolivar, Mo. He is a freshman.

He pointed out that Public Law 874 now covers pupils who reside in public housing. However, no funds have been appropriated to the present time for this purpose. Vickers said the Venice district may gain about \$50,000 annually when and if the program is funded.

Approved was a request from Donald Mancil, Venice band instructor, for purchase of sheet music and repairs, overhaul and replacement of band instruments and parts, costing \$300.

Purchase requisitions for miscellaneous items, including text books and supplies, amounting to \$2100, were approved for Venice-Lincoln Technical Center, with payment to be reimbursed from state funds.

Don Daverny and James Greg, instructors at the Venice adult training center, were granted permission to attend a "Consumer Education" conference, set for Feb. 2 and 3, at Springfield.

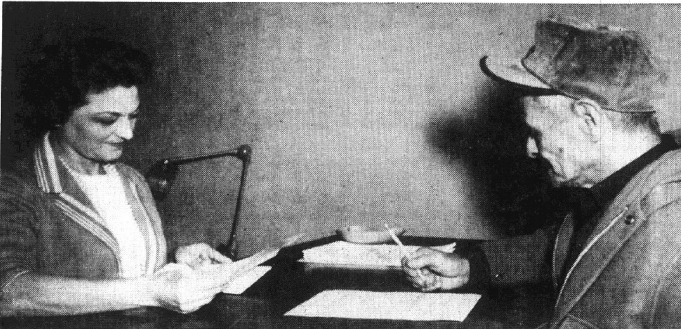

Investment of \$2,100 from the Special Education Building fund was authorized, and transfer of \$437 to Working Cash fund from Title II funds approved.

Payment of monthly bills, other than payroll expenses, was withheld pending receipt of \$74,000 in funds from the State Office of Public Instruction and Illinois Public Aid as repayment of funds expended last year by the Venice School District at Venice-Lincoln Technical Center. A check for the amount is expected this week, Supt. Pier told the board.

**NEW ASSESSOR OFFICE.** The Granite City township assessor's office has moved into these new quarters at 2037 State street, providing ground level entrance for the many hundreds of senior citizens who must file applications each January for the \$1,500 homestead exemption. The exemption on real

estate property owned wholly or in part by persons 65 years of age or older is allowed under state law, but the request must be renewed from year to year. The new offices are a short distance north of Niedringhaus Avenue.

**APPLIES FOR EXEMPTION.** Domingo Valencia, 1829 Spruce St. files his application for a reduction in his real estate property valuation with Mrs. Shirley Voegel, clerk in the office of Granite City

Township Assessor James Barton. The office is located in new quarters at 2037 State St. Jan. 31 is the deadline for filing forms necessary to obtaining the valuation cut under state laws.

## Assessor Still Receiving Homestead Exemptions

Applications for the \$1,500 homestead exemption for property owners who are 65 years of age or older are still being accepted at the office of Granite City Township Assessor James Barton, 2037 State street.

The exemption is allowed under state law approved in the 1969 General Assembly, but is now being challenged in a case before the Illinois Supreme Court charging the law is unconstitutional.

Barton said today that despite the pending court proceedings, the applications for extending the exemption to 1971 property valuations, on which taxes will be collected in 1972, are being accepted so that the work will be complete in the event the court holds the law is constitutional and still effective.

If the court rules against the law, Barton said, efforts will be made through Senator Sam Vadalabene (D-Edwardsville) and State Rep. Horace Coates (D-Granite City) to introduce a new bill in the legislature.

**Explains Age Limit**

Barton explained today that applications are being received only from persons who were 65 years of age prior to Jan. 1 this year. Unless property owners reach 65 before the first day of the year, they must wait until January of the year following to apply for the exemption, he said.

For the 1970 tax year, for which taxes will be collected this year, Barton's office received 1,400 applications for homestead exemptions, a factor that will reduce Granite City

township's property valuations more than \$2 million.

The assessor's offices have been moved from the second-floor quarters in the 1900 block of Delmar Avenue to the ground-level building at 2037 State St. as a convenience to

elderly citizens, Barton pointed out that in filing the homestead exemption applications last year, many elderly property owners found it difficult to climb the steps at the previous location.

## High Speed Chase Of Suspect Ends In House Crash

A man wanted on a charge of burglary led police on a chase at speeds up to 100 and 105 miles an hour in two counties and on the McKinley Bridge early Wednesday before it ended when his auto struck a house in North Venice.

He is Gerald M. "Cowboy" Gibson, 26, also known as Michael Gerald Gibson, who gave a local address of 2151a Benton St. He was wanted as a suspect in a burglary at the Elledge Motor Co. here two years ago, and has been listed as a fugitive both here and in Missouri, police said.

He and a passenger were spotted by Patrolman Kelly Hodges, and the chase eventually was joined by other patrol cars from police departments of Granite City, Madison, Venice, National City and East St. Louis.

Madison police picked up the trail there and followed Gibson at a 10-mile-an-hour rate along Broadway and onto the McKinley Bridge. In the middle of the bridge, the Gibson auto spun around and headed back to Venice. The car crashed through the toll barriers both ways.

**Chased Through Madison**

Racing back through Madison along Second Street, Gibson led police along Route 203 into East St. Louis, and the parade picked up momentum through National City and Brooklyn.

Gibson failed to maneuver a curve on Klein Street and struck the home of Alex Redic, 83 Weaver St., Venice. It rammed a hole through the wall and damaged the porch.

The car began to burn, and the driver and passenger fled on foot. Gibson was taken into custody behind a garage on Market Street.

He appeared before Magistrate Joseph Kelleher here yesterday afternoon on a total of 17 traffic charges, three ordinance violations and a criminal charge (reckless conduct) filed by Officer Hodges, in addition to the burglary charge.

Judge Kelleher remanded him to the Madison County Jail in lieu of \$5,000 bail on the burglary charge, and sentenced him to five days in the county jail on a charge of driving with a fictitious license. Other charges pending include attempting to elude police officers.

The magistrate assessed fines totaling \$400 plus costs of \$125 of the traffic charges plus fines of \$75 and \$20 costs for failing to pay bridge tolls and \$10 plus \$10 costs for crashing through the toll barriers.

The passenger, Waldo Curtis, 21, of 1957 McCambridge Ave., Madison, pleaded innocent to a charge of reckless conduct and was released on \$100 cash bail pending a hearing.

## Two Fatalities

brakes and struck the two girls at the same time," he said. "The two girls went into the air about 10 feet."

Another witness, Pat Uzomoff, 2614 Pine St., in the auto ahead of Hadley's, said he saw the two girls start out into the street, go back and then start out again, running from the west to the east curb.

Police Sgt. Everett Kelly reported that Robertson's auto skidded 4 feet.

He said the Hall girl was lying 12 feet north of the front of the car in the passing lane, and the Lively girl was 6 feet north on the grass on the east side of the road.

One of several pupils who also had run across the road said he had yelled a warning at the girls. Other witnesses said the girls' shoes, coats and clothing were strewn across the pavement.

## Wood River Man Killed

Guy A. Quindt, 37, of Wood River, was killed and a passenger was injured when he lost control of his auto while southbound on Route 111, struck a sign and utility pole and turned over several times at 9:50 p.m. Tuesday a half-mile north of Interstate 270.

Mr. Quindt was pronounced dead at St. Elizabeth Hospital. He and the passenger, Mrs. Teddy A. Stephens, 27, of East Alton, were taken to the hospital here by a local ambulance. Mrs. Stephens suffered lacerations to the hands and wrist, knees and above the left eye and a hematoma to the left side of the face. She declined treatment and was released.

Two persons were injured when an auto driven by Roger A. Dussaud, 30, of Skokie, Ill., struck the rear of a car driven by John B. Stimac, 68, of 2851 Rhodes St., Madison, at 2:05 p.m. Monday as both were westbound on Interstate 70 in Canteen Township.

Taken by ambulance to St. Elizabeth Hospital here were Mrs. Pauline Ruediger, 50, of the Rhodes Street address, and Dussaud.

Mrs. Ruediger complained of pains to the right shoulder and chest and was released after treatment and x-rays. Dussaud was admitted with a lacerated lower lip requiring five sutures and abrasions to the left knee. X-rays were taken of the skull, spine and knee.

James R. Petrillo, 17, of 3306 Franklin Ave., was injured when his auto was struck by a pickup truck driven by Otis J. Holt, 1319 Meridian St., at 5:59 p.m. Wednesday at 28th Street and Delmar Avenue. Holt was charged with a right-of-way violation and driving without a license.

Petrillo, who was thrown out of the car, was admitted to St. Elizabeth Hospital with contusions below the right knee and pain to the right upper calf. X-rays were taken.

## Mrs. Kraus Sr., Recovering

Mrs. Frank Kraus Sr., 1424 Madison Ave., is recovering in Room 713 at McKillop Hospital, St. Louis, from eye surgery which she underwent Monday.

## Madison County Salon Aids Hospital Funds

Madison County Salon 53, Eight Forty, met Tuesday at the Legion Home in Venice. Miss Hilda Reimelmer, chairman, conducted the meeting and there were 12 members present.

Plans were made for a "fasting party" Feb. 21 at the Venice-Madison Post 307 Home. Donations were made to the National Jewish Hospital for the following: tuberculosis and cystic fibrosis research funds,

## Prevent Traffic Tie-Ups During Winter Driving

Chief of Police Ronald J. Veltzer issued his own weather report today for Granite City and the area.

According to the chief there's one thing certain: "We're still in for a lot of winter storms with their predictable results on traffic — tie-ups caused by stalled vehicles."

"When that happens," Chief Veltzer warned, "vital emergency equipment may be unable to get through. Snow removal operations are usually seriously hindered."

He emphasized that his department would be ready to do all it can to keep traffic moving, and offered suggestions to help keep roads and streets clear despite a storm's poor visibility and slippery streets:

**Clear Windows, Lenses.** "Before you start, windows must be able to see — and be seen. Clear snow and ice off all windows, and from all light lenses. Be sure lights are working properly."

"If you use a spray-on-deicer, wipe windshield clear of streaks. Smear-free windshield wipers are essential to clear away heavy slush and snow. This means good blades and adequate arm pressure."

"The defroster must put out a good stream of hot air, and the washer fluid from the recommended anti-freeze solution."

"To get underway start in second gear if your car has a stick shift. With automatic, use 'drive' or the gear recommended by the manufacturer. Apply gas sparingly — easy does it!"

**Keep Your Distance.** "On the road, keep your distance — and then some. You need a bigger safety cushion in winter, even for normal stops."

"Get the feel of the road; it's never quite the same. Ice, rather than being as slippery as it is at zero."

Oversteering on ice causes most skids. Plan maneuvers well in advance. Anticipate lane changes and turns and make them gradually."

"To recover from a skid, steer in the direction of the skid. Pump your brakes to maintain steering control as you stop."

**Reinforced Tire Chains.** "Depend upon reinforced tire chains for severe conditions. Tests show that they provide the ultimate in both stopping

## Pack 13 Cubs Given Awards

Cub Scout Pack 13, sponsored by St. Elizabeth School, held a monthly meeting Tuesday evening in the school cafeteria. Cubmaster Edward Veltzer was in charge and Cub Scouts Webelos and their families attended.

The meeting opened with a flag ceremony by Den 1 under the direction of Mrs. Nancy Graf, Den Mother, and Mrs. Sue Kurilla, Assistant Den Mother, with the audience joining in the pledge to the flag.

Awards presented by the Cubmaster as follows: Chris Graf and David Wilmseymer, Bear Badges; Greg and Tim Powderly, Wolf Badges; Stephen Yenchy, four Silver Arrows; Chris Graf and David Wilmseymer, one Gold Arrow each; Denner Stripes to Gary Lofting, Greg Powderly and John Koesterer; and Brian Marcum, Wolf Powderly, and Tom Kurilla, Assistant Den Stripes.

Sticks were presented by Den 1, directed by Mrs. Graf, and Mrs. Kurilla, and Den 2, under the direction of Mrs. Lana Maycock and Mrs. Carol Kessler. Jerome Distler, Webelos leader, and the Webelos sang.

The group was reminded of the chili supper to be given Saturday Jan. 30. The chairman of the event will be Matthew Gasparovic. Also announced was the Blue and Gold banquet Sunday, Feb. 28, and a skating party March 28. Mrs. Delora Schrenk will be the banquet chairman.

**ENGAGED, Miss Carol McGee** of Collinsville whose betrothal to Craig Woods is announced.

**Mr. and Mrs. Bob McGee** of Collinsville are announcing the engagement of their daughter, Miss Carol McGee, to Craig Woods, a son of Mr. and Mrs. Edward Woods, 4069 Vesci Ave. A 1968 graduate of the Collinsville High School, the bride-elect is employed by the St. Louis Union Trust Co. Her fiancé is an employee of the Granite City Steel Co. An autumn wedding is planned.

## STUDENTS ENTERTAIN FROHARDT SCHOOL PTA

The PTA of Frohardt School met Tuesday night and members of Brownie Troop 730 presented a flag ceremony under the direction of Mrs. Ruth Schroeder and Mrs. Charlotte Klauer.

Principal Lee Reid read the PTA prayer, and the program was turned over to Miss Susan Smith, physical education instructor, who presented pupils in a demonstration. Students from the first and second grades showed a "parachute," third and fourth grades, parallel bars, horse and balance beam; and fifth and sixth grades, rope climbing, peg board climbing and balance beam.

Mrs. Joyce Toussaint, ways and means chairman, said a roller skating party will be held Feb. 1 at the Stardust rink. She reported plans for a sweatshirt sale during March.

Mrs. Sara Metcalf reported that new raincoats had been purchased for Frohardt patrol members.

A nominating committee was formed and will present a slate of officers for 1971-72 at a future meeting. On the committee are Don Hayes, Mrs. Jewel Backs and Miss Jane Elkins.

Third grade room mothers served refreshments and the room parent attendance award was won by Mrs. Myrna Musterman's middle primary class.

## Counselors Address Parents at Nameoki

The PTA of Nameoki School held its January meeting Tuesday evening in the school gym. President Mrs. Kattie Wilson, welcomed the group and requested a moment of silence in memory of Mrs. Eva Krause and her daughter June, who were killed in an automobile accident.

The PTA prayer was read by Mrs. Marian Sipole and the flag ceremony was presented by members of Junior Girl Scout Troop 575, sponsored by the PTA. Leader Mrs. Judy Oizer directed Scouts Sara Lybarger, Gail Sipole, Debbie Bushong, and Joyce Haldeman.

Reports were given by Mrs. Arlene Haldeman and Joe Tester, and the membership voted to purchase one trash receptacle upon request of the "GASP" organization at the High School for use at the Granite City High School.

The president announced that the Area Council Award Dinner will be Feb. 18, at 6 p.m. at Tri-Mor Bowling Lanes, 7300 Room. She also announced that Nameoki school will host the regular Area Council meeting scheduled for Jan. 28, at 7:30 p.m.

A roller skating party for fifth and sixth graders will be held Monday, March 1 from 7 to 9 p.m. at Stardust Roller Rink. The annual "Basketball Carnival" will be held Friday, March 1, at the school. Every one was requested to save

their "white elephants" for the event, and to send them to the school. Chairmen for the carnival are Eugene Monahan, Harry Briggs Jr., and Robert Pollach, all teachers at Nameoki School.

Parents were invited to the Monday, Jan. 25, meeting of the Coolidge Junior High School PTA, for a program, "What You Should Know About Your Child and Drugs."

Mrs. Virginia Apperson, vice-president and program chairman, introduced Terry Salem, counselor at Granite City High School, who then introduced the remainder of the panel, Mrs. June Mills, Counselor at Central Junior High School, and three students from the High School, Tina Glitchoff, Chris Vaughn, and Bob Markarian. A discussion was presented following the theme for the evening, "United We Stand for Better Communications with Young People!"

After the program, Mrs. Williams presented corsages and 24 past presidents' pin to Mrs. Vera Farrow, PTA president for 1969-70. The \$10 room attendance prize was won by Mrs. Farrows' upper primary class. Refreshments were served by mothers from the lower intermediate classes.

MR. AND MRS. JOSEPH J. BODI JR. Their wedding took place at St. John United Church of Christ. The bride is the former Judith Schreiber.

### Miss Judith Schreiber Weds Joseph Bodi Jr.

Miss Judith Schreiber became the bride of Joseph J. Bodi Jr. in a late afternoon ceremony Saturday at St. John United Church of Christ.

The parents of the couple are Mr. and Mrs. Arthur A. Schreiber, 2300 Delmar Ave. and Mr. and Mrs. Joseph J. Bodi Sr., Rural Route Two.

The Rev. Paul Surbey officiated at the 4 o'clock service and a reception was held afterward in the home of the bride's uncle and aunt, Mr. and Mrs. Robert B. Cowan, 2304 Gary Ave.

The bride wore a white Chantilly lace gown styled with an Empire waist and long sleeves. The mandarin neck was embellished with seed pearls and a fingertip veil was of illusion. White carnations and roses were combined in the bride's bouquet.

The only attendants were Mrs. David Schildman and Edward Bodi, a brother of the bridegroom. The former wore a blue and green brocade gown, a matching bow and veil and carried yellow roses on a white fur muff.

The former Miss Schreiber, a 1970 graduate of the local high school, is employed in St. Louis.

Mr. Bodi Jr., who graduated from Granite High in 1969 and attended SIU-SW for one year, is a baker, employed in St. Louis.

### Women's Club of GC Steel Meets

The Granite City Steel Women's Club met Tuesday evening in the general offices of the company where they were entertained by the Granite City Checkboard Squares, a square-dance group, directed by Mr. and Mrs. Bob Boyd.

Mrs. Mary Corday, president, was in charge at the meeting attended by about 45 members, and plans were made for a meeting later when the program will be "modeling clothes you make," including daytime, evening, sports and lingerie garments.

The next regular meeting will take place Feb. 9.

### OBSERVE WEDDING ANNIVERSARY AT PARTY

Mr. and Mrs. Howard Whitte, 2889 Marshall Ave., celebrated their 40th wedding anniversary during the weekend at a family party arranged as a surprise by their children, Mr. and Mrs. William Puhse, Mr. and Mrs. Lamon Kinde, Mr. and Mrs. H. Lane Kinde, all of Granite City, and Mr. and Mrs. Manfred Dreiser of Trenton, Ill.

All were present with their families and a buffet dinner was served.

## World War I Veterans, Auxiliary Attend Meet

Veterans and the Auxiliary of World War I Barracks 34, held a 4th District meeting in Collinsville this week at the American Legion hall with 7 local and 11 auxiliary members present.

A pot luck dinner was served at 12 o'clock followed by a business meeting. District officers from this area, serving the 70-71 term, are Mrs. Edith McAlister, president, Mrs. Katherine Fellers, secretary and Mrs. Irene Hendricks, treasurer.

Approximately 65 ladies, representing the district auxiliaries, were in attendance. The next meeting will be a pot luck dinner affair, scheduled for March 21 at the American Legion in Edwardsville.

## Secret Service Loses Counterfeit Bill

Forgery charges against two men who allegedly tried to cash a counterfeit \$20 bill at the McKinley Bridge toll booth Jan. 12 may have to be dropped as the United States Secret Service apparently has lost the evidence.

The two charged with forgery were to appear in court today in Edwardsville, but their appearance was postponed this morning after federal officials said they were unable to locate the counterfeit \$20 bill. They had taken the bill last week from the Venice Police Department to hold as evidence.

## Savings, Mortgage Funds Up At Madison County Federal

"In 1971, and especially if present savings trends continue, there should be ample mortgage money for our community needs," Albert H. Froemling, president of Madison County Federal Savings and Loan Association, said today following the association's annual meeting yesterday. Froemling predicted a favorable 1971 mortgage climate as he issued the institution's annual report.

He said that, in general, 1970 was a good year for Madison County Federal Savings and Loan Association. He pointed out that after the Federal Reserve Board moved to an easier money policy, savings flows into the association improved.

"The savings increased in the final quarter of the year were particularly encouraging," he said.

Ideal Time to Buy Homes  
Froemling cautioned, however, that any dramatic downturn in mortgage interest rates may be some time away. He said that, traditionally, mortgage interest rates are the last of the long-term interest rates to decline, usually lagging behind long-term corporate rates.

"If you have been thinking about buying a home but are waiting for mortgage interest rates to come down," he declared, "our advice is to buy now."

"Every year, it seems the increase in building costs more than offsets whatever savings may develop as a consequence of lower interest rates," he said.

Directors who were re-elected for 1971 included A. F. Bunte, R. B. Dunlap, A. H. Froemling, E. L. Hopkins, J. L. Palchiff, W. C. Rainford, J. W. Reese and Gilbert Rosch. Dr. Kenneth Hillmer was elected to the unexpired term of R. Y. Shampong and died during the year.

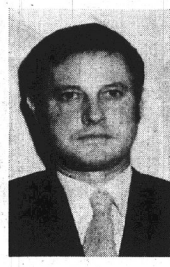

Dr. Hillmer was born and educated in Granite City and is a veteran of World War II.

He attended Shortell College and graduated from St. Louis University School of Dentistry in 1957. He holds membership in the American Dental Association and state and local Dental Societies, having served the local society in the past as president and secretary; and is a member of the Chamber of Commerce of the Tri-Cities.

He resides with his wife and two daughters, Patricia and Pamela, at 2000 Michigan Ave. In addition to Froemling, officers who were re-elected are A. F. Bunte, vice-president; Gilbert Rosch, secretary; and Dr. P. Speckling, secretary and treasurer; and Mrs. Emma M. Early, assistant secretary.

Froemling reported that as of Dec. 31, savings deposits of the association stood at \$1,535,000, while mortgage loans on the books amounted to \$1,247,982. Assets stood at \$13,670,876. Savings account holders at Madison County Federal Savings and Loan, now numbering almost 4,400, received interest payments during the year which totaled \$520,000.

Redeemers were increased in 1970 in the amount of \$82,489.

DR. KENNETH HILLMER

making a total reserve of \$941,386 at Dec. 31.

Looking ahead to 1971, Froemling said, "We feel that it is going to be another good year."

"Much depends, of course, on public confidence in economic prospects and this, in turn, depends on success in the government's program to battle inflation and recession. We regard progress in curbing inflation as an essential prerequisite to a revival in economic activity," he said.

Brakes Fail, Collides  
When the brakes failed, an auto driven by Anderson Aron, 3606 Ruth Drive, collided with a car driven by Margaret A. Robinson, 1729 Ferguson Ave., at 2:50 p.m. Tuesday at Nameoki and Pontoon roads.

## First National Bank in Madison Plans Expansion; Board Names Woman Director

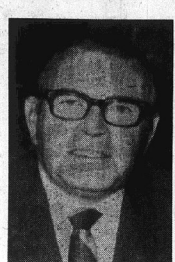

Dr. John E. Lee, president and chairman of the board of directors, told stockholders of the First National Bank in Madison of proposed expansion plans at the annual meeting Tuesday at the Bank, Sixth Street and Madison Avenue.

"We have purchased additional property north of the bank premises for future growth, either for the addition of more drive-in facilities and or office space," Dr. Lee noted. "The 1970 year was a very good year for the Bank," Dr. Lee continued.

"Not only did we grow substantially, but our net return was up. I am happy to report an increase of over 10 percent in deposits during the past year. Possibly a large amount of this growth can be attributed to the establishment of a public relations and advertising department."

"We are delighted with depositor acceptance of our first Christmas Club. The number of persons joining far exceeded the board's expectations. We hope that in the very near future we will be able to increase our services to the people of the Quad-City area. Our growth has been predicated on a philosophy of friendly customer service."

Elected Director  
Miss Helen Eiler, 1523 Fifth St., Madison, was elected to the bank's board of directors. Miss Eiler becomes the first woman elected to a bank's board in the area. She is the daughter of James R. Alcott.

DR. JOHN E. LEE  
Board Chairman, President

MISS HELEN EILER  
New Director

one of the original founders of the First National Bank in Madison, Mr. Alcott died last year and was succeeded by Dr. Lee as board chairman.

"It isn't any secret that women are playing an ever increasing important part in the economic affairs of the nation. We are delighted to now have the female view represented on our board," Dr. Lee said.

Re-elected to the board of directors in addition to Dr. Lee

were Andre N. Gitch, executive vice-president and cashier; Walter Blumenfeld, vice-president; and William Auerhahn, re-elected to officer positions at the bank were Frances August and Mrs. Dorothy Shabo, assistant cashiers and James W. Foley, auditor.

Only one and a quarter shares of the bank's outstanding stock was not represented at the meeting either in person or by proxy.

MRS. HARRIS CROWNED  
The Ship Shape Club of Taker Off Pounds Sensibly met Tuesday evening at the Polish Hall with the leader, Mrs. Yvonne Passig.

Each member is to put a suggestion in the penalty box at the next meeting. A white elephant auction will be held in the near future.

Mrs. Rosalie Harris was crowned queen of the week. Mrs. Johanna Collett read two articles, "Your Beauty Book for a New Year" and "Be a Charmer." Mrs. Geneva Hill and Mrs. Harris were presented with prizes.

Others attending were Mrs.

## Smith to Remain on County EOC Board

Herman Smith, 201 Terry St., Eagle Park Acres, will remain on the Madison County Economic Opportunity Commission, despite efforts by a group of Eagle Park residents to oust the representative from the county anti-poverty board, Maurice S. Harris, EOC director said today.

The action to retain Smith on the EOC governing board by special investigating committee, headed by the Reverend Terry Shea of St. Mark's Catholic Church, Venice.

The Rev. Shea told commissioners, "It was the unanimous opinion of the committee that Herman Smith has done nothing that violates his right to remain on the commission," Harris said.

Eddie Salmond, Eagle Park Acres Improvement Association president, who heads the group seeking to oust Smith, protested the committee's decision at last night's meeting.

Salmond said the Regional Office of Economic Opportunity will be asked to investigate charges made against Smith by the area residents' group.

**Harry Willis, Former GC Resident, Dies**  
Harry Willis, 73, of Auburn, Ill., a former Granite City resident, was pronounced dead of an apparent heart attack at 10:30 p.m. Tuesday. He was found unconscious in his home by his wife. He had been ill for the past year.

Mr. Willis was born in Granite City and lived here until 1930 when he moved to Auburn. While here he was one of the first employees of a Granite City funeral home. He had operated a funeral home until his retirement about four years ago. In Auburn, he owned and operated the Willis Funeral Home.

He was a member and past Grand Knight of the Granite City Knights of Columbus and also held that title in the Virgil Lodge. He also was a member and past president of the Auburn Rotary Club. He attended St. Benedict Church at Auburn.

He is survived by his widow, Mrs. Lucy Willis, one son, Thomas Willis of Granite City, one daughter, Mrs. Edna Sheridan of Granite City, and five grandchildren.

Funeral arrangements are given in today's obituary column.

**JV Kickers Blank DuBois, End Year**  
The Granite City High School junior varsity soccer squad finished its season with a 6-2-1 record, besting Bishop DuBois 1-0 Wednesday afternoon here.

The score came on a cross from Clay Windfield to Andy Baugh early in the second period.

The jayvee kickers were scored against nine times in the season, all by DeSmet.

**CLASS AIDING FAMILY**  
The Winsome Class of Grace Baptist Church met Tuesday evening at the home of Mrs. Faye Hester, 64 Karen Drive, for its monthly meeting.

Mrs. Joyce Kotoff, class president, opened the meeting and Mrs. Carol Brinker led prayer. After the secretary, Mrs. Lois Wright, read minutes of the November meeting, she read a note received from a young boy at the Baptist Children's Home in Carmi, Ill., thanking the class for a guitar he received for Christmas.

Plans were made for class members to visit several shut-ins living in The Appliance apartments next Monday. They will take fresh fruit baskets and a recorded message from the pastor of the church, Rev. Louis Brinker.

For the February project the class decided to make an effort to collect and refinish, if necessary, used furniture for a family in need. Those having anything to donate may contact Mrs. Mary Parchment of the Winsome Class at 831-3233.

The family to be aided has one child with cystic fibrosis and an infant child. Medical bills have been large.

Mrs. Brinker led a devotional period, after which refreshments were served to those mentioned and to Mesdames La Verne Dawson, Pauline Bandy, Shirley Perryman, Charlotte Klotter, Donna Myers, a guest, and the hostess's young daughter, Amy.

Games were played and prizes were won by Mrs. Wright and Mrs. Myers.

The next meeting will be at the home of Mrs. Lois Wright, 2430 Delmar Ave., Feb. 9.

### BRIDAL SHOWER

Mrs. Donald Conner, formerly Miss Linda Beadle of Mitchell, was honoree at a miscellaneous bridal shower Sunday afternoon at the home of her mother, Mrs. Harold Smith, 4724 Nameoki Road.

The hostess was Mrs. Howard Robertson assisted by Mrs. William Smith. Decorations were in pink and white.

Games were played, with prizes going to Mrs. Norma Jones, Mrs. Mildred Smith, Mrs. Barbara Adams, Mrs. Bernice Baker, Miss Donna Gibson, Miss Karen Scheib, Mrs. Mary Lockhart and Mrs. Brenda Richter.

After the honoree opened her many gifts, refreshments were served to the other guests. Mrs. Joyce Mihu, Mrs. Mary Cory, Mrs. Edith Bolan, Mrs. Jeri Scheib, Mrs. Mable Deatherage, Mrs. Joyce Ann Schrader, Miss Debra Baker, Miss Elaine Lockhart, Larry and David Lockhart, William Smith, Harold Smith and Howard Robertson.

### PLAN INSTALLATION

The Women's Organization of the Mitchell Presbyterian Church met Monday evening at the church recreation room for its monthly session.

Plans were made for a tea to be held Feb. 7 following installation services for the new pastor, Rev. William Reipschlag at 3 p.m.

Those present were Mesdames Avalon Young, Josephine Mitchell, Martha Kaizman, Charlotte Starr, Everley Lane, Peggy Brandon, Sharon DePew and Betty Futch.

### Park District to Issue ID Cards Saturday

Granite City residents whose park district identification cards were issued during 1967, 1968 and 1969 must obtain new ID cards at the present time, Harold Brown, park superintendent, said today.

A special session to reissue cards and distribute new ID's will take place from 9 a.m. to noon Saturday, at the Wilson Park office, the district official announced. Out-of-date cards will be picked up from residents when used for current activities, Brown added.

### Vehicles Turn, Collide

As both were turning right, an auto driven by Jo H. Shaw, Carrollton, struck a soda truck driven by Douglas D. Upple, East Alton, at 2:25 p.m. Tuesday at Nameoki Road and Jill Avenue.

**PACK 96 PLANET STUDY**  
Den mothers of Cub Pack 96 of Maryville School met Monday at the home of Mrs. Sandra Laver, 2141 Robert Ave. The leaders completed plans for a pack meeting Monday, Jan. 25, at 7:30 p.m. at the school. Theme for the month is "Lights in the Sky," and the evening will feature several presentations dealing with "the heavens."

Webelos Den One, led by Mrs. Gail Schiefer, will be responsible for the opening ceremony, and Webelos Den Two, led by Tom Pinkel, assistant cubmaster, will be in charge of the closing. Den One with Mrs. Laver, and Den Three, Mrs. Pat Wulken, will have audience participation games. Mothers of Den Four will serve refreshments under the direction of the den mother, Mrs. Shirley Smith. Cubmaster is John Schrader. In line with the theme of the month, the pack toured McDonnell Planetarium in St. Louis during the weekend. Included in the program was a film brought back by the men of Apollo 11. Parents providing transportation were Schrader, Mr. and Mrs. Roy Laver, Mr. and Mrs. Charles Wise, Mrs. Millie Popilchak, Harold Brandon, George Smith and Tom Pinkel.

**MRS. PERDUE HOSTESS**  
Mrs. Mary Perdue, 31 Mikel Drive, was hostess Tuesday night to her card club. Prizes went to Mrs. Fannie Brocks, first; Mrs. Edith Ryan, second; and Mrs. Lucy Stucke, consolation.

A dessert luncheon was served to the prize winners and Mrs. Evelyn Ferro and Mrs. Nell Talley. Mrs. Stucke invited the club to her home for the next meeting Feb. 16.

**COOLIDGE PTA TO MEET**  
Gerald Brown, assistant principal of Central Junior High School, will be the speaker at the 8 p.m. Monday meeting of the Coolidge Junior High PTA. He will discuss "What You Should Know About Your Child and Drugs at the Junior High Level."

The executive board met Monday evening to complete plans for the meeting. Reports were given by Mrs. Arline Halde-man, and it was announced that Mrs. Arlene Laub will serve refreshments following Monday's meeting. "Founders' Day" will be observed at the March 29 PTA meeting; there will be no February meeting. Mrs. Mary Jessee will be chairman.

### Tavern Owners Foil Robbery Attempt

A robbery attempt at Buzz's Tavern, 1228 Madison Ave., Madison, was thwarted Tuesday morning when the tavern owners spotted the alleged would-be robber, sneaked up behind him and struck him on the head with the butt of a pistol.

Police said that the man, who gave no address, entered the tavern at 8:15 a.m. Tuesday with his hand in his pocket as if he had a gun. He told a bartender that he was a robbery and demanded the money from the cash register, officers learned.

At that time, police say, Thomas York Jr. and Connie York, owners of the tavern, entered through a rear door, saw the robbery in progress and walked up behind Wilcox.

Connie York then grabbed the man and threw him on the floor while Thomas York struck him on the head with his pistol.

He was taken to St. Elizabeth Hospital, where he was treated for a laceration to the skull, and was transferred to the St. Louis City Hospital.

A warrant for his address was obtained by police and hospital officials were instructed to hold him for Madison police.

### Bridge Class Changed

A series of bridge classes sponsored by the Granite City Park District will start at 7 p.m. Monday, Feb. 1, at the Wilson Park office building, instead of the date listed elsewhere in this issue, Harold Brown, park superintendent, said today. Registration will continue through Jan. 29.

### Newest Aindad Officer Active Civic Leader

Donald G. Adams, 4066 Vesel Ave., chosen by illustrious Potentate Charles H. Wagner of Aindad Temple to fill the bottom rung of the Divan (officers) after the annual election Jan. 15 at the Mosque 609 St. Louis Ave., East St. Louis, is one of the most active Quadt-City civic leaders.

The Ancient Arabic Nobles of the Mystic Shrine, numbering nearly 8,000 strong in Southern Illinois, will recognize him as the Outer Guard for 1971.

President of the Granite City Glass Co., 1748 Edison Ave., he is also a partner in the Dempsey-Adams Auto Body Shop at 1354 Eighteenth St.

Adams serves as chairman of the Law and Order Committee of the Tri-Cities Chamber of Commerce, and is a vice-president of the Chamber.

He served as chairman of the Modern Living Show of the Granite City Rotary Club last year, and is on the Mayor's Advisory Council for Civil Defense.

He was raised in Carlyle, Tenn., where he attended public schools and specialized in business training.

He is married to the former Lois Gregory of Madison, Ill., and they have three children, Michael 17, Cynthia 15, and Lori, 11 years of age. Michael has been a member of the Black Knights Drum and Bugle Corps for four years, while Cynthia works with the Job's Daughters.

Adams serves on the board of directors of the Rotary club, and is an elder in the Nazarene Presbyterian Church. He served as chairman of the Tri-Cities United Nations Commercial Division in 1970.

His Masonic background includes membership in Triple Lodge 835 of Granite City, Scottish Rite Bodies, Valley of Southern Illinois, and a past president and first lieutenant of the Aindad Proved Guard, of which he is a charter member. Outer Guard Adams is also a member of the York Rite Bodies.

Mrs. Adams has been active in the local area both as a member of the New Hope Chapter, Eastern Star, and the Daughters of the Nile. She has also served as an officer of the Chamber of Commerce Women's Division.

Adams also has found time to become a member of Elks Lodge 1063. He has been a Quadt-City resident 15 years.

### GC Youth, 16, Caught In Fire Fund Campaign

A Granite City youth, 16, was arrested on a charge of deceptive practices at 6 p.m. Tuesday while attempting to solicit donations for a high school fire fund from a resident in the 2400 block of Delmar Ave.

After twice asking the occupant for a donation, the youth was invited into the house and the resident called the police station. After questioning, he was taken to the Madison County Juvenile Detention Home at Edwardsville.

Several similar complaints have been received during the week following an announcement last week by the school that the solicitations were unauthorized.

### Crippled Children's Ball Set for Jan. 30

The 33rd Annual Ball sponsored by the Venice Crippled Children's Organization to benefit the March of Dimes Foundation and Shriners' Hospital for Crippled Children will take place Saturday, Jan. 30, at the Venice-Madison American Legion Home, 740 Broadway, Venice.

The public is invited to attend. Tickets are now available from most Venice residents or may be purchased at the door the evening of the dance.

Music for dancing will be furnished by the Rich Wargin Orchestra from 9 p.m. to 1 a.m., Jan. 30.

Other activities are planned in connection with the traditional observance of the late President Franklin D. Roosevelt's birthday and the start of the annual fund-raising ball as a community-wide project in Venice, according to Mayor John E. Lee, Organization president.

### Jan Langenstein Wins Sales Club Membership

Jan Langenstein, 2615 Delmar Ave., a salesman for Granite City Dodge, has earned membership in the Dodge Delta Sales Club for his sales achievements and for displaying the highest standards of professional automobile salesmanship.

Langenstein, a graduate of New Athens High School and Belleville Junior College, is married and has five children. He is a member of the Rotary, Moose, Jaycees and the Croatan Fraternal Union of America. The Jaycees have chosen him to organize the 1970 Miss Granite City pageant.

## LEAVE FOR VIETNAM AFRICA ASSIGNMENTS

Mr. and Mrs. Elmer L. Ebrecht, 2829 East 27th St., returned during the weekend from Chicago, where they saw their son E-4 William Ebrecht, leave for a 12-month assignment in Vietnam.

The Army man is married and has a son Jeffrey, two years old. Mrs. Ebrecht and Jeffrey will reside with her parents in Homewood, Ill., while her husband completes his tour of duty.

Earlier this month, another Ebrecht son, Jim, left for a 15-month assignment in Africa. He enlisted in the Navy in

March 1970 and received boot training and specialist training in radio and the communications field at the Naval Training Center, San Diego, Calif.

Both spent the Christmas and New Year's holidays in Granite City. They attended local elementary school and graduated from GCHS. Bill with the class of 1965, he received his master degree in music in Oklahoma. In the Army, he is with the medical division and was recently stationed at Fort Bliss, Tex.

Jim Ebrecht graduated with the GCHS class of 1969 and attended college prior to his enlistment.

The Ebrechts have two other sons still at home, Ronnie, who will graduate from GCHS later this year, and Gary, a fourth grade student at Webster School.

## ANTIQUE CHINAWARE

IS TOPIC OF CLUB

The Koffee Klatchers Social Club held its January meeting in the home of Mrs. Alene Moore, 2237 East 24th St., Tuesday morning and the birthday of Mrs. Olivia Kummeneau was celebrated. The honoree was presented with a gift from her "secret pal."

The group discussed plans for the coming months, and the hostesses were selected. The secretary, Mrs. Joan Yetter, gave a financial statement and Mrs. Margaret Breyer, 2688 East 27th St., invited the club to her home in February, at which time the birthday of Mrs. Pat Eaton will be observed.

Mrs. Moore displayed a collection of antique chinaware, with suggestions being offered on how to obtain needed pieces to complete a set. A white elephant gift exchange was held and games were played. A noon luncheon

was served to those mentioned and Mesdames Mary Rita Ahlers, Helen Bertacchi, Carmen Grider, Marcella O'Branovich, Helen Samagato and Doris Stotz.

## PHIBBEAN MEETING AT HESSMAN HOME

The Phibbean Bible Class of Calvary Baptist Church met in the home of Mrs. Gussie Hessman 2317 Winters Drive, for its January meeting Tuesday afternoon and the meeting was called to order with singing of hymns. "Shall We Gather at the River," led by the teacher, Mrs. Stella Rushing.

Mrs. Beatrice Henry gave opening prayer and Mrs. Rushing gave the monthly devotion, entitled "How to Serve God." The business meeting was presided over by the vice president, Mrs. Della Hubbs.

Reports were given by the officers, with a review of the December meeting by the secretary, Mrs. Lorna Hutson, and a financial report by the treasurer, Mrs. Hesson.

A report on cards sent to the sick, to shut-ins and birthday celebrants was given by Mrs. Joyce Buggs, corresponding secretary, Mrs. Henry, who also read a poem, "Give Up?"

Roll call was answered with Scripture verses and a hymn, "Take the Name of Jesus With You," was sung in unison. Mrs. Rushing adjourned the meeting with prayer.

The hostess served refreshments to those mentioned and Mesdames Elizabeth Knight, Della Eilers and Gerrie Wood.

The Feb. 16 meeting will be held in the home of Mrs. Cora Cruse, 2204 Kirkpatrick Homes.

## CARD CLUB MEETS

The Second Tuesday Card Club held its January meeting in the home of Mrs. Helen Schwendemann, 3005 Forest Ave., this week on the third Tuesday, during the game period prizes were won by Mrs. Marlene Johnson and Mrs. Joyce Buggs, high scores. Low score winners were Mrs. Joan Yetter and Mrs. Sharon Shaffner.

Following the adjournment, the hostess served a dessert course. Mrs. Shaffer, 516 Bend Road, invited the group to her home for the Feb. 9 gathering.

## CANDLELIGHTERS CLASS HOLDS MEETING

The Candlelighters Class of Grace Baptist Church held its January meeting in the home of Mrs. Pauline Keel, 1812 Bremen Ave., Tuesday evening and roll call was answered with prayer requests, ending with a circle of prayer.

Mrs. Marge Ellsworth gave the monthly devotion and asked the blessing preceding refreshments. A general discussion was held concerning the membership sponsoring an art show in the future for Mrs. Keel.

Following the closing games were played and prizes were awarded to Mrs. Shirley Miller, Mrs. Joan Yetter and Mrs. Margaret Mayes, Betty Liddell and a guest, Mrs. Meba Parker.

The Feb. 9 meeting will be held in the home of Mrs. Mayes, 2114 Nameoki road.

### New Pastor Accepts Call At Central Christian

The Rev. Dr. L. Jim Anthis has accepted a call to the pastorate of Central Christian Church, 2020 Johnson Road, which will take over his new duties in March.

Dr. Anthis is 30 years old and a native of Oklahoma. He received his B.S. in Philosophy at Phillips University in Tulsa, Okla., where he served as pastor of the Graduate Seminary of Phillips. He completed his education and received his Doctor of Religion degree at Southern California School of Theology at Claremont (division of Southern California). His wife Grace is a registered nurse and they have two small daughters, Bonnie Jo, 6, and Lora Lynne, 4.

Dr. Anthis began his ministry at a small church in Aline, Okla., while studying at graduate school. Later, he was minister of First Christian Church at Pawnee, Okla., which has a membership comparable to, or slightly larger than Central Christian. He served as president of the Pawnee Ministerial Association in 1967.

While studying for his Doctor degree, Dr. Anthis served as associate minister at Hollywood-Beverly Christian Church in Hollywood, Calif. He later left this church and was active in organizing the House Church in Los Angeles.

Over the past five years the pastor has been active within the Disciples of Christ, serving in various capacities, both on local and regional levels. His activities also show considerable work in civic and service organizations as well as interdenominational groups.

Dr. Anthis, with his family, will arrive here to assume his new duties March 1 and will occupy the parsonage at 3241 Rodger Ave.

## Players to Hear Show Plans at Party Tonight

The East Bank Players group will observe its first anniversary with a review of the year's activities, including a program of colored slides, during the annual membership meeting at 7:30 p.m. today at the Granite City Elks Club.

Quadrants interested in joining the theatrical company are invited to attend the affair. Announcements will be made tonight concerning selection of the spring musical production and tryout dates.

Continuing the general policy of the community oriented group, the new show promises parts for all age levels—children, high school and college students and adults, a spokesman said.

During the East Bank Players' initial year, the organization presented two full length Broadway musicals—"Gypsy" played to capacity audiences at the Veterans of Foreign Wars hall for three performances and "Guys and Dolls" at the Elks Club for two shows.

The latter show was repeated at the Venice-Madison Community Center to benefit a project of the Quad-City Democratic Women's Club, the club official noted. Both musicals also were viewed free-of-charge by Quad-City senior citizens at the final dress rehearsal.

**Donate Time, Talent**

## New Holding System For Dogs at Shelter

A new holding system for dogs at the Granite City animal shelter, providing that dogs be held for 48 hours after being picked up, has been instituted at the shelter, it was announced yesterday following an incident last week in which a puppy was given away within a short time after its arrival at the pound.

Mayor Donald Partney announced during Monday night's council meeting that new forms also have been provided to establish permanent records of dogs picked up, how long they are held and the identity of persons who accept them as pets.

Meanwhile, Dale Higgins, humane officer at the animal shelter, said the dog which was given to a woman last week and then was sought an hour later by its original owner, was not picked up by Granite City humane officers. He said the dog was brought to the pound by an Army Depot security guard. "The puppy was half frozen," Higgins said.

Higgins said the young dog had no tag nor collar. In the past it has been the practice to hold dogs for 48 hours if they had a license or tag, to learn if their owners would claim them, but dogs without licenses were disposed of at any time. Under the new policy all dogs will be held 48 hours, he said.

## Staicoff New Nameoki Pct. 9 Committeeman

Thomas Staicoff, mayor of Ponton Beach, has been appointed Democratic precinct committeeman of Precinct Nine in Nameoki township to fill a vacancy, it was announced today.

Staicoff's appointment was announced by Walter T. "Buck" Simmons, chairman of the Madison County Democratic Central Committee, to fill a vacancy created by the death last month of Melvin Barron, who held the post.

Staicoff announced he has appointed Mrs. Nora Burch of 17 Lily Court to serve as precinct committeewoman.

## GC Man Charged In Child Beating

Charles W. Hahn, 19, of 1723 Grand Ave., was arrested Monday at his home on a charge of aggravated battery in connection with the beating of a 2-year-old boy who resides near the downtown business district.

The boy was taken last week to St. Elizabeth Hospital and then transferred to Cardinal Glennon Children's Hospital, St. Louis, where he was treated for bruises, contusions and possible kidney damage.

Hahn waived a preliminary hearing and was bound over to the Madison County Grand Jury by Magistrate Joseph Kelleher, who set bond at \$5,000.

The defendant identified himself to the court as a member of the military service and as a friend of the child's mother, who was questioned by police last week. The case was referred to the Family Service Agency.

## Police Board to Hold Examination Saturday

The Granite City Board of Fire and Police Commissioners will hold an examination to create an eligibility list for the police department at 9 a.m. Saturday at the Veterans of Foreign Wars Hall, 21st Street and Washington Avenue.

Applications may be obtained this afternoon and evening and on Friday at police headquarters. The department will have a vacancy soon, according to Gene Burnett, board secretary. Qualifications include an age between 21 and 35 and a three-year city residency.

## Bratten Again Heads Disabled Veterans

William Bratten was re-elected commander of the Disabled American Veterans, Chapter 53, at the group's regular meeting Monday night.

Elected senior vice-commander was Cecil Nash. Andy Gitchoff was named junior vice-commander. Others elected were Joe Hefferty, chaplain and Walter Bates, treasurer.

The new officers were installed by past commander John Nunes.

In other business the group pledged its support of the President's Hire the Handicapped program and the Hire the Handicapped poster contest held annually here.

Art students in the Granite City High and Junior High Schools started work this week on their posters which will be judged in June. The project is a joint effort of the school, the Illinois State Employment Service and the DAV.

## State Agents to Talk With SIU-SW Seniors

Representatives of the Illinois Department of Personnel will be at Southern Illinois University-Southwestern to talk with seniors and offer counseling for the Governmental Career Training Program.

The training program offers college graduates the opportunity to enter Illinois state government agency programs that have a need for their particular academic training. Graduates qualify through a merit examination and enter an agency training period that includes a working knowledge of the program and operating objectives of the agency. Following this period the trainee begins his professional level career with the agency.

Opportunities include accounting and fiscal administration, career training, life sciences career training, and governmental career training.

The governmental career trainee title applies to graduates seeking careers in personnel and general administration and other occupations not requiring specific college coursework.

Interested senior students should contact University Placement Services at SIU-SW.

## St. Teresa Plans Frosh Placement Test

Girls who intend to enter St. Teresa Academy's 1971-72 freshman (9th grade) class will take their placement test on Jan. 30 in the Science Building of the school, beginning at 8:30 a.m. and ending about noon.

Students are asked to enter the Science Building through its Ridge Avenue entrance (the first door off 26th Street on Ridge Avenue). The boys take their tests at Assumption High School.

Should any prospective student not have contacted the school through her grade school, she may notify Sister Mary Elizabeth, guidance director, by telephone (874-7322).

Tuition for the 1971-72 school year at St. Teresa's will be \$240 a year for the first child in Catholic high school and \$215 for the second. The third child may attend free of charge.

The school will be in correspondence with the new students during the spring to finalize plans for attendance and to set up student schedules.

## Symphony Competition Set for Feb. 5, 6

Judges for the 1971 St. Louis Symphony Competition weekend for young musicians have been announced by the Women's Association of the Saint Louis Symphony Society, which sponsors the event.

Competition weekend is divided into two days of auditions, Feb. 5 and 6, at Powell Symphony Hall.

The deadline for submitting applications for the competition is Jan. 22. Application forms and additional information can be obtained by writing Box 12574, St. Louis, Mo. 63141, or calling (314) 434-5828.

## National CYO Selects Coed Here Top Youth

Miss Mary Louise Morrell, a freshman at Southern Illinois University-Southwestern, has been selected as the outstanding Catholic youth of the year by the National Catholic Youth Organization.

Miss Morrell is the daughter of Mr. and Mrs. Ralph Morrell of St. Louis. She is also a recipient for a St. Louis reality firm and is a member of St. Ann Parish.

She has served as a volunteer with the Child Center of Our Lady and the Headstart Program. The award to Miss Morrell will be presented later this year by the Very Rev. Thomas J. Leonard, director of the National Catholic Youth Organization.

## Roca Club Plans Work Day, Dancing Lessons

The Roca Young Men's Club is planning a work day, with Turn Vreack and Sunday Dyer in charge.

Members are to sell four or five tickets each which a customer may purchase and hire one or more boys for one or more hours of work.

The club will hold dancing lessons following its next meeting at the home of Brad Cross, club president.

## Two Area Students Now Practice Teach

Two area education students at Southern Illinois University, Carbondale, are among 450 engaged in actual classroom teaching experiences in public schools during the winter quarter.

They are Patricia Schmidt, 2120 Manley Ave., at Longfellow School, Marion, and Halbert Robinson, 1690 Fifth St., Madison, at Granite City High School.

## Makes Highest Honors

Ron Jeffrey Matson, 55 January Lane, has been placed on the dean's list at Miami University, Oxford, Ohio, with highest honors for academic achievement during the fall quarter.

## Annual Youth Conference Scheduled Here Jan. 27

The third annual Youth Conference will be held next Wednesday from 8:30 a.m. until 4 p.m. at the YMCA, 2001 Edison Ave.

Student council members and faculty advisors from Venice, Madison and Granite City High Schools will take part.

The student leaders will study three topics including student-teacher relationships for which Gilbert Wamsley, former assistant high school principal and now principal at Prather Junior High School will be the resource leader.

Race relations will be the second area of discussion with Charles Hampton, an East St. Louis teacher serving as host to this year's conference.

## Shryock Auditorium Reopens at Carbondale

Southern Illinois University's 54-year-old Shryock Auditorium at Carbondale was re-opened Jan. 17 following a 20-month long remodeling project.

The inaugural event was a Sunday afternoon concert by the SIU Men's Glee Club.

The building, long considered the finest concert hall in Southern Illinois, had been shut down since April of 1969 when contractors began a \$1,840,000 facelift.

Sunday concertgoers found a 1,250 upholstered theater seats in place of the old wooden ones. The entrance lobby has been redesigned and carpeted and the building is equipped for air conditioning.

Backstage and beneath it, old offices and storage areas have been enlarged and refurbished as rehearsal halls and dressing rooms. The building will have a fulltime manager with his own offices.

Original ornamental terra cotta and plaster work, a distinctive touch in the old building, has been retained and touched up.

The project also added new wings that enlarged the backstage area.

Main entrance doors have been moved to the outside arches of the Romanesque-Byzantine style building.

Shryock Auditorium was first opened in 1918 with an appearance by former U. S. President William Howard Taft.

## Sacred Heart Academy Sets Placement Tests

High school placement tests for eighth grade students will be given on Jan. 30 at the Academy of the Sacred Heart in St. Charles, Mo.

Founded by Blessed Philippine Duchesne in 1818, the academy is administered by the Religious of the Sacred Heart. It is one of the few local private Catholic schools for girls, offering weekly resident accommodations for grades 9 through 12, according to Sister Sophie James, principal of the high school.

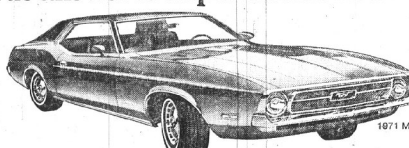

Regis Hall for boarders provides the "in" environment wanted for study and fun. It is "home away from home" for those who live far away to commute daily but close enough to return home for weekends, Sister Sophie noted.

The school which provides varied activities and trips during the year, is located on Second Street in the historical section of the city which was the first capital of Missouri from 1821 to 1826.

## Engineer Open House Planned at U. of I.

An 11-student committee is planning the 62nd Engineering Open House of the University of Illinois at Urbana-Champaign. The event, which brings thousands of visitors to the campus, is scheduled for March 12-13. On the committee is Frank Gac, 2641 Washington Ave., tour organizer.

Theme of the 1971 Engineering Open House will be "The Engineer and the Environment." For the first time, industrial exhibits, which emphasize the theme and education, will be included along with displays showing the university's facilities and activities in engineering.

The open house is presented by undergraduate students in the 12 departments of the College of Engineering. Many high schools send bus loads of students to learn about opportunities and educational requirements in engineering.

## Speaker Named for SIU Agriculture Banquet

Don Paarberg, director of Agricultural Research Service, U. S. Department of Agriculture, Washington, D. C., will be the speaker for the 1971 All-Agriculture Banquet at Southern Illinois University in Carbondale Feb. 27.

Roger Titus, president of the SIU Agricultural Student Advisory Council, sponsor of the dinner meeting, says the program also will include presentation of several awards by the council and alumni of Alpha Gamma Rho, fraternity for agriculture students. Titus is from Lerna, Ill. Award recipients will be revealed at the meeting.

The awards to be presented will be: Outstanding Senior to Illinois Agriculture, outstanding SIU agricultural alumnus, outstanding senior in agriculture, Herbert Ogden and Jerry Coble manual awards, and faculty service award.

## Venice Administrators Study On-Job Request

An on-the-job training program through which Neighborhood Youth Corps enrollees would be placed in meaningful jobs in the Venice school system was referred to Venice school administrators for further study and recommendation by district officials at their meeting Monday evening.

Placement of 13 out-of-school youths in job experience situations was requested by Lovell Penny, in NYC work adviser, who said no expense would be incurred by the school district should the program be implemented. He noted that the Venice-Lincoln Technical Center currently serves as a center for the NYC program.

Job sites within the school system suggested by the NYC official, included placement of four assistant cooks; two recreational aides; two assistant librarians; one assistant curriculum; two office clerk trainees; and two assistant maintenance men.

Lack of facilities to accommodate 13 additional people presents the greatest problem in placing the trainees, Supt. of

Schools John O. Pier explained. He noted, however, that good results were obtained by enrollees in a previous NYC training project.

In other business, the board authorized purchase of a 12-passenger station wagon, at a cost of \$425, from Jersey County Motors.

A published advertisement for bids was unanswered and the district required to seek prices from individual dealers by letter, a board member explained.

The Jersey County Motors offer was accepted over two other bids, both involving eight-passenger vehicles without power brakes and other extra equipment. The eight-passenger vehicle figures submitted by "Bob" Beckman, Collinsville, were \$4000 and \$3882, respectively.

Payment of tuition fees for three former Venice High School students now enrolled at Belleville Township Junior College, was approved. The junior college students are Eddie and Karen Johnsons, 1302 Oriole St., and Jacob Harmon, 14 Venice Homes.

## Tryouts for Cast Of 'The Crucible'

Managers, Inc., will hold tryouts for Arthur Miller's play, "The Crucible," from 2 p.m. to 6 p.m. Sunday, Jan. 24, and from 7 p.m. to 10 p.m. Monday, Jan. 25.

Location of the tryouts will be the fire department on Collinsville, near Webster Junior High School. Director will be Ron Punnell, Granite City High School English teacher.

"This is the story of the Salem witchcraft trials," Punnell noted. "Anyone may come out; there are parts for men and 10 women."

## Nursing School Essay Contest Announced

The Friends of the St. Louis Municipal School of Nursing is announcing the fourth annual essay contest open to high school seniors interested in nursing careers, with prizes of \$250, \$100 and \$50 to be awarded to the winning contestants.

Students who wish to enter must write an original essay of 250 to 350 words on the subject: "Why I Want To Be a Nurse."

The church will have a special Mass at 9:30 a.m., and pack members will be recognized.

Columnist Andy Timko has announced that Webber Gerald Norton will graduate into the Boy Scouts during a special ceremony at the pack meeting.

## 'Fate' to be Featured At Y Teen Town Dance

The YMCA Teen Town will feature "Fate" at its weekly dance from 8:30 to 11:30 p.m. Saturday. The group will be making its second appearance at the "Y." Regular admission will be charged.

Other groups to appear in coming weeks include "Stigton Express," formerly "Rokis," on Jan. 30; "Jake Jones" on Feb. 6; "J. Christopher" on Feb. 13; and "Memphis" on Feb. 20.

## Initiated into Fraternity

Karen Lurien of Granite City is among nine students at Eastern Illinois University, Charleston, to be initiated as members of Alpha Beta Alpha, library science fraternity. Membership includes students who plan to become librarians and who are "interested in promoting the use of books by all people."

NAMEOKI BAND PARENTS PLAN ANNUAL SALE  
Plans for the year's candy sale have been made by the Nameoki Band Parents Association. The sale is to begin in March.

Proceeds from the fund-raising project, will be used for a band trip to a young people's concert, tentatively scheduled for April at Powell Symphony Hall in St. Louis.

Some of the Nameoki Band members will participate in a music festival on Feb. 13 and a solo and ensemble contest on March 20.

Mrs. Ruth Andrews, on behalf of the group, has presented a gift to Mrs. Lois Dier, band director, who was married in December.

Brownie Troop 620, sponsored by the Nameoki PTA, led by Mrs. Linda Harp, Mrs. Sandra Szadai and Mrs. Donna Robell, met Wednesday for a bowling party at Bowland. Mothers of the girls assisted with the party.

The troop will observe Girl Scout Week by presenting a play at the March Nameoki PTA meeting.

CUB PACK SEVEN TO VIEW PETS, HOBBIES  
The pack committee of Cub Pack Seven of St. Joseph's Catholic School has completed plans for the January meeting at 7 p.m. Jan. 28. Theme will be "Pets and Hobbies," and each competing scout will receive an entry ribbon.

RAPIST MEN'S DAY WILL BE OBSERVED

"Baptist Men's Day" will be observed Sunday at Emmanuel Baptist Church. An all-men's choir will sing under the direction of Sonny Carr at the morning worship. Allen Walker will speak at the morning service, and L. C. Johnson at the evening service.

The morning worship message will be "Witnessing for Christ," and will be given by Earl Harner, "Witnessing in the Home," George Cannon, "Witnessing at Work," and W. W. Langford, "Witnessing Through the Church." The evening message will be by Russell Lewis.

A wild game supper was held Tuesday evening at the church in preparation for the Men's Day.

CADETES PLAN TRIP

Cadet Girl Scout Troop Four of the Maryville School PTA held a weekly meeting Tuesday night at the school. Leader is Mrs. Jerry Conner, who said the troop will participate in the annual "Thinking Day" later in the winter.

The girls turned in money for a troop trip to "Disney on Parade" Jan. 30.

All present sang "Happy Birthdays" to Pam Church and Darlene Fleischer. Future plans for the troop include a campout during the spring months.

A game was played and the meeting ended with a "friendship circle" formed by those named and Beverly Unner, Dorenda Gibbs, Carla Copper and Lois Schertz.

The 22nd District meeting of the Junior Legion Auxiliary of the American Legion was held at the Venice-Madison Post 307 at 2 p.m. Sunday. Miss made for the remainder of the day. The units are planning to make a trip to the Alton State Hospital and the Veterans Home at Carbondale, to enter the Gold Star members in each unit, and to enter the contest for poppy posters, hat centerpieces and corsages.

Plans were made for slumber party for the entire district in Fairmont City on Feb. 12. A Junior Leadership Course will be held at the Granite City No. 113 Home on Sunday, Feb. 28. Miss Dorothy Hinson will be the instructor.

## Glass Collection Drive Continues Here by Post 69

Owens-Illinois is continuing its weekly glass collection drives from 9 a.m. to 1 p.m. Saturdays, and local pickups of glass brought in each Saturday. The industry pays one cent per pound, which is equivalent to \$20 per ton for all glass brought in each Saturday. Types of glass not accepted are windshields and plate glass.

Glass should be separated by color distinction—clear, light green, dark green and brown and should be free of all foreign objects as bottle caps and rings.

Roy C. Bird, 84, Found Dead at Home

Roy C. Bird, 84, of 2225 Delmar Ave., was found dead in bed at his home at 12:45 p.m. Tuesday by Mrs. David Milton who occupies an apartment at the same residence. He was pronounced dead by Madison County Deputy Coroner Edward Werner. An inquest is pending.

Mr. Bird had lived in this area for 53 years. He retired several years ago from General Steel Industries, where he was employed 33 years as a machine operator.

He was a native of Caldwell County, Mo. His wife, Mrs. Mayme Bird, died in 1952.

Mr. Bird is survived by a sister-in-law Mrs. Nancy Sharn of Granite City.

Funeral arrangements are listed elsewhere in today's obituary column.

Revival Services

The Rev. Vernon House is conducting revival services at the Apostolic Church, 1126 Madison Ave., Madison. The services begin at 7:30 nightly, with the exception of Sunday, when the hour will be 7 o'clock.

## 'Concept' on Addicts Underway at Loretto

"The Concept," with a cast of eight young men and women telling the true story of the causes, needs, and potential cure of drug addicts, has returned to the Loretto-Hilton Center, 130 Edgar Road, Webster Groves, for an engagement through Jan. 30.

Residents of New York State's drug treatment centers Daytop Villages, the cast became actors in "The Concept" as a work plan in moving into the real world after they indicate a level of maturity to warrant the responsibility.

Not actors in the genuine sense of drama the young people bring to the theatre a truth that is stranger than fiction. "Kicking the habit" is partially a pun, they testify. They would not legalize marijuana. They should know. Most of them started this way and ended up hard drug addicts.

Admission is from \$2.50 to \$5.50 with special rates for students and student groups. Reservations can be made by calling the box-office 988-6517, or writing Loretto-Hilton Center, 130 Edgar Road.

Loretto-Hilton Center is located on Webster College campus in Webster Groves at the corner of Big Bend and Edgar roads.

Enlistment Program Announced by Marines

Young men enlisting in the Marine Corps may now choose a two, three or four-year enlistment, according to Gunnery Sgt. T. L. Childers, local recruiter.

He said for the young man faced with his military obligation and not wishing to enlist for four years, the two and three-year enlistments will allow him to fill his military obligation in the shortest possible time as a Marine.

Interested young men may visit or call the Marine recruiting offices at the East St. Louis Post Office Building, 875-1121. Office hours are 8 a.m. to 5 p.m. Mondays through Fridays and 8 a.m. to noon Saturdays.

Last year we spent \$740 million on your telephone ...and it still looks the same.

The changes don't show. But they are ways of making your phone—the one you've had all along—work better. For instance, the money went for more Long Distance circuits so your call will go through faster. It also went for more training so that telephone employees serving you will know their job. The money went for new switching systems to speed up connections for the 56 million calls we handle daily. At Southwestern Bell, we keep working every day, every year, to put a new phone inside your old one. Even if it does look the same. "We may be..."

## Winter Wonderland

By  
**BILL  
WINTER**

Press-  
Record

Early this fall, St. Mark's Roman Catholic Church in Venice will observe its centennial. This is a milestone reached, to our knowledge, by only one other Quad-City church—St. John's United Church of Christ (Evangelical and Reformed).

We hold membership in St. John's, which began its second anniversary was brought to mind by a Press-Record news item that the parishioners are making preliminary plans to celebrate it.

The approaching 100-year anniversary was brought to mind by a Press-Record news item that the parishioners are making preliminary plans to celebrate it.

With wisely assistance from Lois, we located a scrapbook containing mementos of our October 1869 European tour, including a clipping of a St. Mark's history we wrote in connection with the trip.

As we said at the time, the historical information gathered in connection with a scheduled worldwide radio broadcast—honoring sister cities of Italy and the United States—showed that St. Mark's was the oldest religious institution in Venice and one of the oldest in Madison County.

Close ties between the cities of Venice in Illinois and Venice in Italy include the fact that St. Mark's Church here was named after the mammoth St. Mark's Cathedral at the Italian seaport.

With Venice, Italy, being predominantly Catholic and the local city including many Catholics and many people of Italian descent, the two cities were mentioned prominently in the planning for the radio program originating in Italy.

Sponsored by the Italian State Radio and Television Network to foster closer international relations, the "people to people" broadcast had the backing of the United States Information Service and the American Municipal Association.

To make a long story short, the trip was enjoyable and we were able to confer with the new patriarch of Venice, Giovanni Cardinal Urbani, who had succeeded Pope John XXIII; the latter was Venice patriarch until being elected as pope on Oct. 28, 1968.

Cardinal Urbani, who later was one of the top several contenders for the papacy chosen by Pope Paul VI, presented to him on Oct. 28, 1963, read a scroll presented to him on behalf of the local church and in turn presented a book for the church here.

Reading copies of the Press-Record, the Rev. Jacques Marquette was the first to reach the site of the local parish.

Cardinal Urbani also took note of early Venice settlers' trips across the frozen Mississippi River to attend church services, and he beamed when he saw that a priest with a name similar to his, Father Urban, was assigned here in 1813.

The history which he read was an eventful one. Now that the hundredth year has arrived, we will relate some of the highlights.

The Venice area was discovered by Father Marquette, his fellow explorer, Joliet, and seven other Frenchmen as they floated down the Mississippi in canoes.

They were searching for a water route from the Great Lakes to the western ocean and a short northwest passage to China.

Early records describe this section as "a beautiful wilderness," the land of many tribes of Indians. Herds of deer and herds of prey roamed the area.

Occupancy by persons other than Indians did not begin until nearly a century later. About 1750, the French established settlements on Chouteau and Garret Islands in the Mississippi River adjacent to Venice.

Catholic missionaries of France labored among the early settlers. A few years later, there was an influx of Englishmen, who lived here from 1765 to 1767.

Ephraim O'Connor became the first settler within the present geographic limits of Madison County, settling in Collinsville Township in 1800 and building a log cabin.

First permanent residents came from Virginia, Kentucky, Tennessee and the Carolinas in 1801. In 1804, settlers entered the Venice area and Venice Township was founded.

The monks of LaTrappe located on LaTrappe Mount (Monks Mount) in 1810, and the French priests of labor believed to have included Venice.

For the 14 preceding years, Fr. Rogation Olivier had served Kaskaskia, Cahokia, St. Genevieve and St. Louis. The territory of Venice probably was part of the St. Louis mission, but existing records are not clear.

## Splitting of Levee District Badly Needed

To End Misery It Inflicts on Taxpayers

The attempt to hold the annual organization meeting of the East Side Levee & Sanitary District Jan. 15 was a discouraging experience to sit through, our reporter at the scene recalls.

Hampered by their present 2-2 split and aware that their court convictions may terminate their service on the board, the trustees seemed unable to adequately cope with the challenges facing them.

Rather than trying to come to grips with their income-outgo imbalance, they voted to go more heavily in debt. "Business" will continue more or less as usual, with no thought given to the "old-fashioned" ideal of getting a dollar in one's pocket before spending it.

It is small wonder that not just taxpayers but key public officials of the Quad-Cities are giving serious thought to seeking legislation splitting the Quad-Cities away from East St. Louis to form two levee districts, separated by the Madison St. Clair Counties line.

Such a division should have happened long ago. The Quad-Cities for years have had only a minority voice in the decisions of the levee district although paying nearly half of the cost and getting only a small fraction of the services and improvement projects.

And the situation gets worse as time goes by. The latest levee district levy, so far, is a farcical exhibition of how not to conduct important public business.

Venice City Clerk William Ebersoldt, who has been doing a conscientious job on the board with the odd heavily stacked agenda, had to ask Board Member Lawrence Tolar several times for clarifications of Tolar's colorful comments and motions.

Tolar at one point tried to "improve" the district's deficit by increasing the salary of Jerry Duff, son of Board Member George Duff. Duff seconded Tolar's motion for "a very liberal increase in pay" and it came within one vote of being adopted.

The levee district never has been a shining example of efficiency or economy, and not because of any absence of ideas and suggestions on how to do better.

We, and others, have outlined detailed procedural reforms. We and others have testified before state legislative commissions formed

### Ebersoldt Helpful on Dobrey Slough Drainage, Dredging of Channels

To the Editor:

It is good to have a friend who never leaves people in "stormy weather." Our friend is William "Mike" Ebersoldt, one of the Quad-Cities members of the East Side Levee Board.

Although the Levee Board has been under fire for some time now and quite a controversy subject among most people—and rightfully so—our friend has stayed with our area's problems.

He has been working steadily with the Illinois Division of Waterways for the Dobrey Slough drainage.

Our Namekitchi ditch has been edged so that it can take much more storm water now. Remember that summer two years ago when it was filled to the brim?

The Cahokia diversion channel has been dredged. The project is very important in time of heavy rain, and our man "Mike" has worked on them since 1968.

Progress does not just happen. Someone has to be pushing, and I for one am happy to see the progress made by the Quad-Cities members of the East Side Levee Board.

It is one of the top goals for our region. It is good to see it happen here at home.

ECOLOGICAL CONSERVATION SUPPORTED BY HUNTERS

To the Editor:

Two years, and two hunting films with a corresponding number of indignation letters, have prompted this letter.

This year's letter (Jan. 18—"Film on Hunting was Brutal and Bloody") again is emotional and illogical, as witness this example. It was written that a "vicious showing" of a man at his worst—with a gun.

Polychlorinated Biphenyls Newest Environmental Accumulation Threat

(The American Chemical Society)

A family of commercial chemicals called PCB's (polychlorinated biphenyls) has been accumulating in the environment in much the same way DDT accumulates, says a feature story in the January 1971 issue of "Environmental Science and Technology."

PCB's are chemically inert, non-toxic to birds, animals, and man, but it may be possible to build up a tolerance for them. PCB's are also very persistent in the environment, and they are not broken down by sunlight or water. PCB's are also very persistent in the environment, and they are not broken down by sunlight or water.

to study what levee districts were and were not doing.

Every time reform proposals have progressed very far through the General Assembly, levee officials and their friends have found a way to deal with the death blow. They have been utilizing the lobbying expertise perfected while they sneaked through bills for "blank check" spending and bonding power.

Because for years it was a Democratic stronghold, with patronage available for most actual jobs and no-work jobs, area Republicans have been dissatisfied with the levee district. (It is not a case of anybody being "holier than thou," since during the previous generation it was a GOP power base.)

Added to the present Republican opposition is the fact that nearly all Quad-City area Democratic leaders also have become fed up with the costly, wasteful practices.

If this bi-partisan displeasure with the status quo can be translated into a 1971 Illinois law recognizing the unrelated nature of the two communities linked by the levee boundaries, and formally dividing them, both areas then can start afresh to cope in a positive way with the drainage and flood control challenges which each faces. It is a step toward the goal of enabling the segment of our government to earn and receive greatly increased public respect and favor.

Appearances are deceiving; the dollar bill looks exactly as it did ten years ago.

## New Leadership for Ainad Temple Shriners

Congratulations are in order for the 1971 officers of the Ainad Shriners, including Potentate Charles Wagner and Donald G. Adams of Granite City, outer guard, newest addition to the staff of officers.

Three local residents are now among the group of future potentates; besides Adams, they are Jack Dempsey, director, and Richard Harvey, marshal. Also well known here is the new second-ranking officer, Chief Rabban Harold C. Baker Jr.

The 8,000 Ainad members have chosen capable, highly regarded leaders.

All-purpose apology: We know you believe you understand what you think we said, but we are not sure you realize that what you heard is not what we meant.

## Fatal Shooting Classified as Involuntary

Gary Kintler, 30, of Pickerton, Ohio, was one of three truck drivers wounded when snipers opened fire on a westbound truck convoy on Interstate 70 May 5, 1970. He died of the wound June 29 at Firmin Desloge Hospital, St. Louis.

Five men pleaded innocent to a murder charge based on the occurrence, which happened during a trucking strike. Associate Judge James Kinney, Jr., said the jury found the men guilty to involuntary manslaughter and they applied for probation.

Snippings last year in this region were widely interpreted as an attempt to convey a message.

We wonder what kind of message is intended to be conveyed by the judge's conclusion that involuntary manslaughter is an appropriate charge.

Few get off key while singing their own praises.

## 50 Years Ago

Two major local industries were strike-bound today, affecting 8,000 workers, as the United Steelworkers of America picketed operation their nationwide strike program which had been postponed for one week at the request of President Truman. Involved are Granite City Steel Co., 4,200; General Steel Castings Corp., 2,000; and American Steel & Wire, 1,800.

A. W. Morris Jr. was re-elected president of the Granite City Real Estate Exchange. Louis Fresen was named vice-president, and J. W. Senefelt was named secretary-treasurer. Directors are Ralph Y. Champion, H. E. Lueders, George Muelder, and the officers.

A Kiwanis club has achieved the necessary 25 members and will be chartered at a meeting at the Hotel Granite. Officers will be elected at a dinner meeting. Marvin Barnes is temporary chairman and Ralph Thompson is temporary secretary-treasurer.

Two masked bandits—who have been terrorizing Granite City for the past several weeks by taking hundreds of dollars at soft drink parlors and other businesses—placed their "Waterloo" when Louis H. Orgitz, proprietor of a drug store at 1314 N. Michigan Ave., gave battle to them with a 45-caliber Colt revolver. The two men had blue handkerchiefs over their faces. More than a dozen shots were fired before the bandits escaped.

Since first detected in Sweden in 1966 and in the United States in 1967, they have been found in rainwater in England, river water in Japan, mussels in the Netherlands, penguin eggs in the Antarctic, terns in the Arctic, waters of the Great Lakes, shrimp in Florida, cod in the Baltic Sea, brown pelican eggs in Panama, brown seals off the coast of Scotland, and in human hair and fatty tissues.

So frequently action is taken only after it is evident that massive damage has resulted from a particular pollutant, in the case of the PCB's we may have an opportunity to resolve the situation before that happens.

Although used industrially for the past forty years, polychlorinated biphenyls have only recently claimed the attention of environmentalists. Dr. Gustafson points out.

## Illinois Politicians Know How to 'Pull Springs in Stringfield'

By PETE BROWN  
Southern Illinois University News Service

There was Cameron Garbutt in his office, chuckling over a note in addition to his file of spoonerisms: the radio announcer who referred to a local business as the "Good Love Gluck Factory." (Good Luck Gluck, you know).

"By the way," said Cam, "I heard another good one. The announcer said this politician had 'pulled some springs in Stringfield.'"

And he couldn't help but be reminded of the solemn minister, reciting a funeral, saying "And when they bought the body down the aisle..."

But the immediate business with Garbutt had to do with mining a few more Southern Illinois dialect nuggets from a file he has been fattening up over these past 20 years.

Garbutt is an SIU speech professor who likes to save everyday usage from different places. The southern-flavored dialect of Southern Illinois is one of his specialties.

We've been over some before. Now...

What do you call that part of the house where you entertain guests? The best room? Big house? Front room? Or is it the living room, parlor, or sitting room?

For Southern Illinois, it seems to be a toss-up between living room and front room. Way down south in places they call it the big house.

The shelf over the fireplace: Fireward, mantel, mantle, mantel, mantelpiece, mantel shelf or clock shelf? We say mantel, mostly.

In various parts of the U. S. those devices on the roof that carry off rain are called eaves, eave spouts, rain troughs and eave-troughs. We call 'em gutters.

## W-2 Statements Due by Feb. 1

(Internal Revenue Service)

Q) When can I expect to get my W-2?

A) Employers are required to issue W-2 statements to their employees by Jan. 31. The final date is Feb. 1 this year, since Jan. 31 falls on a weekend.

Many, however, issue them earlier for the convenience of those employees who are expecting a refund and want to file early.

Q) I was married last year and both my wife and I got a tax package in the mail. If we file a joint return, whose label should we use?

A) Use your name label since the husband's Social Security number is used to identify joint returns.

However, you should print your wife's name on the label. Her Social Security number should be entered in the space provided on the return.

Q) If I let IRS compute my tax and I have a refund coming, how

## Plans Ready for New Water Tank and Booster Station

Work on construction of a new 2 million gallon water storage tank and booster station in Granite City will get underway by the East St. Louis & Interurban Water Co. as soon as weather permits, it was announced today by Robert Hillard, manager.

The new facility has been designed to improve fire protection reserves and service pressure in the Quad-City area, Hillard said.

The \$488,000 tank and booster station will be located in the rear of the Namodel Village Shopping Center and is scheduled for completion in September.

Specifications have been submitted to major tank fabricators and contracts will be awarded in early February for the 2 million gallon tank, which will be 32 feet high and 112 feet in diameter.

### Award Contract

The M. H. Wolfe & Co. of Granite City has been awarded the contract for the tank foundation and booster station, including the furnishing and installation of all pumping equipment and controls.

The booster station will have automatic pumping capabilities for stabilizing the system pressure at a rate of up to 240,000 gallons per hour. In the event of ice storms, tornadoes, or other unknown power failures, the

station is equipped with an auxiliary power unit capable of supplying power for full pumping capability.

The station will have continuous supervision, reporting, and recording of status and operation using modern electronic telemetry systems between the station and the main plant.

The East St. Louis Interurban Water Co. is a member of the American Water Works Co. system which owns and operates about 75 utilities serving a population of over 4,700,000 in 500 communities in 20 states.

### '71 Impala

You've changed. Extensive research told us. Common sense told us. So, naturally, we've changed. For instance we gave our totally new '71 Impala a pair of power disc brakes up front for greater resistance to beat buildup and fade. They're standard. We were also sure you'd like more than the customary nice ride. So we gave it to you. In the

longest, smoothest Impala wheelbase ever. In a new wider stance chassis. And in a new bump-absorbing full coil suspension. What's more, Impala's new built-in emission controls have helped reduce air pollution, as you asked. '71 Impala. Did we mention it's the roomiest car in its field? We've been building up to this much Impala for years. Because you have.

### Our new little Vega

The little car that does everything well. And no wonder. It has a specially designed overhead cam four with a lightweight aluminum alloy block. So you move right out. It has disc brakes up front. So you stop well. So you ride stable. And it tips gas. So you save. Vega. Now open for business.

## Venice Couple Attends Tennessee Inauguration

Mr. and Mrs. Frank D. Barritt Sr., 209 Weber St., Venice, were personal guests during the weekend of Governor Brimley Windfield Culbertson Dunn of Tennessee, at the latter's inauguration as the state's chief executive in Nashville.

Inaugural ceremonies were conducted at the Nashville War Memorial Building, followed by a reception at the State Capitol Building. Among the honored guests were Attorney General and Mrs. John N. Mitchell, representing President Richard Nixon, and Actor Robert Stack and Mrs. Stack, who attended in behalf of Governor Ronald Reagan of California.

The invitation was extended to the local couple due to the childhood friendship of Mrs. Barritt and Gov. Dunn, who attended school together in Meridian, Miss. Both were members of the 1945 graduating class at Meridian High School. Gov. Dunn, the first Republican to head the Tennessee state government in 50 years, is the son of the former Congressman from Mississippi, Aubert Dunn.

The new governor, a dentist by profession, received 80% of the vote in his home community of Memphis, a heavily Democratic area in recent years. He is married and the father of three children, Mrs. Barritt said.

The former Rosena Dodson of Meridian, Miss., Mrs. Barritt has resided in the Quad-Cities for a number of years. Adm. Evelyn Cross and Norman Partridge, both of Granite City, six great-grandchildren and several nieces and nephews.

Mrs. Barritt and Gov. Dunn renewed the friendship when both attended a reunion of their 288-member high school graduating class five years ago, she said.

Mr. and Mrs. Barritt are the parents of two sons, Francis Dale Barritt and Calvin Barritt, both of Venice. A third son, Specialist Four William E. Barritt, 24, died in Vietnam last Aug. 14 of wounds suffered when a helicopter on which he was a gunner was shot down. He was a former pastor of the Church of God of Prophecy at Manchester, Tenn., and was serving on the second tour of duty in Vietnam at the time of death.

### Mrs. Betty Caton, 87, Dies at O'Fallon, Ill.

Mrs. Betty Aline Caton, 87, of 2913 E. 24th St., died Tuesday at Parkview Manor Nursing Home in O'Fallon, Ill., where she had been a patient since February 1970. She had been in ill health, the same length of

A native of Raymond, Ill., Mrs. Caton had lived in the local community about eight years. She was a member of the Methodist Church. Her husband, Francis Dean Caton, preceded her in death.

Survivors include a brother, John Martin of Mesa, Ariz.; a daughter-in-law, Mrs. Rebecca Parish of Granite City; three grandchildren, Mrs. Betty Krumm of Glen Carbon, Mrs. Evelyn Cross and Norman Partridge, both of Granite City; six great-grandchildren and several nieces and nephews. Funeral arrangements are given in the obituary column.

## Price Joins in Anti-Recession Legislation

Congressman Melvin Price on Monday joined with Senator Jennings Randolph (D, W. Va.) and Congressman John J. McFall (D, Calif.) in introducing comprehensive anti-recession public works legislation on the opening day of the 92nd Congress.

Approximately 150 Members of the House of Representatives offered their support by cosponsoring the proposal to combat the high rate of unemployment. Comp. Price noted that the Randolph-McFall Bill which calls for 80 per cent Federal grants-in-aid is tailored to assist communities that: (a) have a firm plan for badly needed permanent public facility, (b) are able to finance the local share of construction, (c) are ready to begin almost immediate construction, and (d) can guarantee that a high percentage of the construction cost will be labor.

The goal is to make local areas more attractive to industry by building such facilities as sewage plants and municipal buildings without overburdening the local tax rate. He suggested \$800 million to initiate the program. The bill is designed to assist economic development areas, major labor market areas and "pockets of poverty" that have a history of persistent unemployment reaching the level of 8.75 per cent or higher. Similar legislation proved highly successful in the early 60's.

Congressman Price, one of the original sponsors in the 91st Congress said, "Congress can no longer sit idly by with the hope that prosperity is around the next bend." The Congressman continued, "To do nothing may be construed as benign neglect and hard-hit communities must have tangible evidence that Congress cares." He indicated that he will urge the House Public Works Committee Chairman to schedule early hearings on the proposal with a view toward providing measurable and immediate relief.

### Gilley Funeral Today

## 131.3 Million Tons of Steel Poured in 1970

Domestic steelmakers poured 131,300,000 tons of raw steel during 1970, according to preliminary figures released by American Iron and Steel Institute.

Although this was nearly 10 million tons less than 1969's record output of over 141 million tons, 1970's steel production was still the fifth best in U.S. history, according to AISI.

For much of last year, domestic mills held close to their 1969 record-setting pace. Through the first nine months of 1970, output reached 106,182,000 tons—less than five million tons below the comparable figure for 1969.

In the final three months of the year, however, a combination of factors—among them the General Motors strike—

combined to brake domestic steel output. Although December production rose to 10,400,000 tons from November's 10,000,000 ton output, this was 1,371,000 tons less than was produced in the final month of 1969.

During 1970, the basic oxygen furnace clearly established itself as the most important single source of U.S.-made steel. BOFs produced 63,334,000 tons of steel during the year—nearly half the total output. Open hearth production shrank to 48,076,000 tons—a drop of 12,818,000 tons from the previous year. Electric furnaces poured 18,921,000 tons of steel in 1970—211,000 tons less than in 1969.

## Council Raises Street Supt. Wage to \$13,000

An ordinance increasing the salary of the city street superintendent to \$13,000 per year was approved by the Granite City council Monday night—but not without opposition from a minority bloc of aldermen. The salary presently is \$9,600 annually.

The increase will become effective May 1, beginning of the city's 1971-72 fiscal year. A street superintendent will be elected in the April 6 election and the new salary will apply at the beginning of that term.

The ordinance fixing the salary was introduced by Alderman Paul Rutledge and Thomas Boker opposed the raise, however, the new salary ordinance did not remove provisions that furnish the street superintendent with an automobile and a \$100 monthly expense account.

Mayor Donald Partney also said he believed the salary was not excessive, but that he opposed the amount of the increase so long as the expense account and car items are included. Nann contended the ordinance fixed the salary and does not mention the car and expenses. "These can be removed any time," Nann said.

Later in the meeting the council opened four bids on a proposal to furnish a new station wagon for the street department, and awarded a contract to Brewer Motor Co. on

Stroud, internationally famous comedian and ventriloquist, one of seven featured artists named to appear at the first annual Mardi Gras Ball, sponsored by the Madison County Unit of the American Cancer Society. A low bid of \$2,500. Other bids were Granite City Dodge, Inc., \$3,400; Mathew Chevrolet Co., \$3,418; and B. E. Hohlt Co., \$3,130.

Council members also approved a resolution appropriating \$100,000 in motor fuel tax funds for improvement of Roosevelt Avenue from Rock Road to FA Route 151. The resolution will be forwarded to the Illinois Division of Highways for approval.

**Calls for Resurfacing**  
The plans call for bituminous resurfacing of the street with installation of curbs and guttering.

A request for blackout resurfacing of the 2700 block of Benton Avenue was referred to the Street and Alley Committee with the provision that work will proceed when it is determined what is needed on the project. Alderman R. E. Robertson urged the improvement which he said is long overdue because residents in the area have suffered damage to their homes because of heavy traffic over cracked and broken pavement. Hiring of the Research Planning & Design Associates as consulting engineers for motor fuel tax projects for the current calendar year also was approved on a motion by Nann.

## Ventriloquist To Entertain at Ball

Five professional acts are scheduled to make up an evening of continuous entertainment at the first annual Mardi Gras Ball, set for Saturday, Feb. 20 in the Grand Ballroom of the Mineral Springs Hotel, Altan, to benefit the Madison County Unit of the American Cancer Society.

Among the entertainers will be Fred E. Stroud, internationally famous comedian and ventriloquist, who has performed in many well-known night clubs throughout the country.

Actor William Gargan is scheduled to greet patrons at champagne cocktail hour hosted by members of the Madison County Unit's executive board of directors immediately preceding the costume ball.

More than 2,000 are expected to attend the affair, including many Quad-Cityans who assist in the annual fund-raising drive — the Cancer Crusade.

William Reardon, Mardi Gras Ball reservations chairman, said.

## 19 Area Men Are Inducted

## New Rules Govern Venice Lincoln Center

New regulations governing the conduct of students attending Venice-Lincoln Technical Center and formation of faculty hearing committees to review incidents at the school and take action against offenders were discussed by members of the Venice Board of Education at their regular meeting Monday night.

A series of bomb threats and disturbances at the adult education center forced classes to be terminated prior to the previously announced date in December, it was learned.

Specific rules relating to student conduct while on the school premises and extended to cover actions during transportation to and from the building on South Fourth Street went into effect Jan. 4, after formal adoption by the school board.

Recent problems at Venice, Lincoln Center were reviewed at this week's meeting, when a request for a formal hearing before the board was received from a former student who was permanently expelled from the adult education facility last month.

The student sought the hearing "due to the harshness of the penalty for a first offense," a letter from the individual stated. He also denied implication in the alleged incident which involved loss of a watch by another student.

Board President Leo Davinroy noted expulsion of the teenage youth by the board occurred simultaneously with a

thorization that teachers' committees could be established at Venice-Lincoln Center. An ensuing hearing before a VLTC faculty committee on the same incident resulted in a recommendation the youth be suspended until conclusion of the current school year, then re-instated.

Although noting the Venice Board of Education still remains the administrators of the adult training center and has an obligation to set policies, Davinroy commented that timing of the board's permanent expulsion action and the less severe penalty imposed by the teachers' committee obviously coincided.

The board president's recommendation that a formal hearing on eventual reinstatement of the student take place at 7 p.m. Feb. 15, was adopted by the board.

Davinroy explained a VLTC student offender is now entitled to a hearing by a three-member faculty committee, together with one staff member selected by the student. The committee will decide whether an official warning is issued to the student, or he is suspended from classes, he said.

In an effort to lessen problems at the adult center, regulations now in effect include: permission necessary to leave classroom; radios and tape players to be used in the gymnasium area only; abusive language not permitted; hall passes required during class hours.

All school rules apply while students are on buses; students responsible for cleaning their own area; alcoholic beverages, illegal drugs and weapons not permitted on school property; and issuance of visitors' passes.

Specific incidents for which the offender will be reported to law enforcement officers also were listed. They include tampering with fire extinguishers and setting off alarms; damage to school property; stealing; tampering with vehicles; molesting or threatening individuals; illegal drug traffic and use, and moral offenses.

## Special Education Leaders to Meet

Dr. William Whiteside, chairman of the Department of Special Education at Southern Illinois University-Southwestern campus, will be the principal speaker Tuesday, Feb. 2, at a joint dinner meeting of school board members and administrators from the three local school districts which comprise Region 1, Special Education District.

Purpose of the 6:30 p.m. meeting is to review the current cooperative agreement between Madison, Granite City and Venice school districts, relating to special education services, and explain proposed revisions in the administrative and operating policies contained in the contract.

Dr. Whiteside is providing consultant services to Region 1 in revising the joint agreement, according to Mrs. Elveta Kuegeles, Special Education director for the regional authority.

The Region 1 director discussed the proposed changes, mostly involving fiscal policies, with members of the Venice Board of Education at its regular meeting Monday evening. She also invited board members and administrators to attend the Feb. 2 dinner, to be held at the Rose Bowl restaurant.

An executive session for representatives to the Region 1 governing board will take place immediately following the general meeting, Mrs. Kuegeles said.

## Edward E. Whitmer, 70, Dies; Former Resident

Edward E. Whitmer, 68, of St. Louis, a former Granite City resident and brother of Second Ward Alderman Samuel Whitmer, died at 12:30 p.m. Tuesday at City Hospital No. 1, St. Louis. He had been ill about two years and was hospitalized the past two months.

Mr. Whitmer was born in Paducah, Ky. He had moved to Granite City as a young man and resided here until approximately 30 years ago. He was a retired self-employed painter and a former employee of General Steel Industries. Mr. Whitmer was of the Methodist faith.

Bessie Alderman Whitmer, he is survived by his widow, Mrs. Darius Whitmer; and a second brother, Marvin Whitmer of Los Angeles, Calif.

Funeral arrangements are given in today's obituary column.

## Protestant Welfare Unit Reports on Activities

The January meeting of the Protestant Welfare Association was held Tuesday evening at First Baptist Church, opening with a devotional service by host pastor, Rev. Ray Eitelman, and the hymn "Onward Christian Soldiers" by the group.

The president, Lennie Crockett, was in charge and about 35 were present. Mrs. Irma Taylor, secretary, and Mrs. Minnie Dillard, treasurer, gave their reports, as did Mrs. Marie Whittle, office secretary, who was welcomed back after her recent illness.

According to Mrs. Whittle's report the total relief for the past month amounted to \$1,014. Of this amount \$495 was for food; \$340, Christmas grocery orders; and new shoes and clothing, \$79. In addition there were 11 orders of clothing and shoes from the store room estimated at \$96.

The Association received Christmas donations amounting to \$430, which greatly helped in providing grocery orders for many elderly people. A number of phone calls and written notes of thanks were received from the recipients.

## Judge Seeks to Fill Probation Officer Post

Applications to fill a pending vacancy in the position of chief probation officer for the Third Judicial District are being accepted by Chief Circuit Judge William Beatty at Edwardsville.

He said an appointment will be made as soon as a suitable applicant is found to succeed James Reidelberger of Venice, Eitelman dismissed the group with prayers.

After the meeting refreshments were served in the church dining room and Roy Lyn reported on a meeting with the Ministerial Alliance, Rev. James Reidelberger of Venice, Eitelman dismissed the group with prayers.

Four persons arrested on charges of intoxication and illegal possession of alcohol or driving while under the influence at 4 a.m. Monday pleaded innocent and were released that afternoon upon payment of cash bail of \$75 and \$125 set by Magistrate Joseph Kelleher. They are Gary Sidwell, 20, of 3006 Kirkpatrick Homes; Carroll Pigg, 21, of 2640 Ohio Ave.; Robert Tidwell, 22, of 2203 Edna St.; and Robert Cole, 20, of 2809 Cayuga St.

## Win Back Students Graduate at GCHS

Registration still will be accepted at Granite City High School for participation in the "Win Back" educational program which permits the enrollee to earn a full high school diploma upon completion of studies.

Kenneth Spaulding, GCHS assistant principal and supervisor of the "Win Back" program, today announced the graduation of four adult students from the special course.

Mid-year graduates who will receive diplomas in June are Mrs. Renee Todaro, Mrs. Ellen Ozanich, Miss Janet Powell and Mrs. Cheryl Holt.

"Win Back" students attend classes from 7 to 10 p.m. three or four evenings each week at the local high school. The total period of time required to attain a diploma depends on the individual students, Spaulding explained.

## Recovering In Hospital

George H. Mertz, 3312 Terrace Lane, is in room 306 of Jewish Hospital, St. Louis, recovering from an apparent heart attack. He was taken Jan. 14 to the hospital where he was admitted to the intensive care unit.

## Two Autos Collide

Autos driven by George H. Siler, 3128 Rodgers Ave., and Hermilda K. Liteman, Rural Route One, collided at 6:40 p.m. Monday at Wabash Avenue and Pontoon Road.

## More Suggestions For School Names Needed

With only about one half-dozen replies received thus far Granite City School officials are hopeful that the public will begin showing more interest in suggesting names for two new Granite City schools, funded by passage of the 1968 bond issue.

The deadline for mailing suggested names is Feb. 15 and those persons interested should mail their letters before that date to: Board of Education, 20th and Adams, Granite City, IL 62040. Attention: Frank Kraus, Assistant Superintendent. All those residing in the school district are eligible to submit suggestions.

Site "A" is to be an elementary school, kindergarten to sixth grade, located on Old Alton Road near the Norwood Subdivision.

Site "B" is to be a combined elementary and junior high, kindergarten to eighth grade, located at the intersection of Maryville Road and Route 213 (Nameoki Road). Eventually, this is to become the second senior high school.

In suggestions, participants should include the site name being suggested for and accompany the suggestion with a short paragraph (100 words or less), stating why the name was chosen. The name of the group or individual making the suggestion should also be listed.

## Park District Plans Bridge Class Series

A limited number of students from the beginner to the experienced player will be accepted for a new bridge class to be sponsored by the Granite City Park District. Individuals may register by calling the Wilson Park office, at 877-3089, before Jan. 29.

Harold Brown, park district superintendent, said the bridge instruction course will start at 7 p.m. Thursday, Feb. 4, at the Wilson Park office building. Meeting for two hours each session, the course will continue over a 12-week period, the official said.

The first half of the course will primarily focus on instruction, with the remaining sessions devoted to perfecting playing techniques, Brown said. A limit of 20 students will be accepted on a first come, first serve basis, he noted.

Mrs. Helen Meyer, a member of the American Bridge Teacher's League and an affiliate of the American Contract Bridge League, will serve as instructor. She previously taught at the Granite City YMCA and in the adult education program at Edwardsburg High School.

## John Tayon, Former Depot Clerk, Dies

John L. Tayon, 72, of Rural Route One, Box 356, Granite City, died at 4:30 a.m. Tuesday at St. Elizabeth Hospital where he had been a patient six days. He had been ill several years. Mr. Tayon was born in St. Charles, Mo., and lived here 20 years. He was employed as a clerk at the Granite City Army Depot until he retired in 1959. Mr. Tayon is survived by his widow, Mrs. Birdie Tayon; one son, John Tayon of Granite City; one daughter, Mrs. Mary Williams of St. Louis; two brothers, Chester Tayon of St. Charles, Mo., and Oliver Tayon of Troy; three sisters, Mrs. Irene Wythe and Mrs. Elsie Bailey of St. Charles, Mo., and Mrs. Ann Briggs of Troy; five grandchildren and one great-grandchild. Funeral services will be held in St. Charles, Mo., after visitation here. Details may be found in today's official column.

## Parking Lot Accident

While starting to park, an auto driven by Paul Radfield, 2337 Edna St., collided with a car driven by Betty Ravano, 3314 Princeton Drive, who was backing out at 4:05 p.m. Monday on the Bellmore Village shopping center lot.

## Supplies of Feldspar Located Along River

Feldspar in commercial quantities has been found in the Mississippi River terraces of Southern Illinois, according to a new report by the Illinois State Geological Survey. The report, "Lower Mississippian River Terrace Sands as a Commercial Source of Feldspar," says feldspar is a mineral used by Illinois industries mainly in the manufacture of glass and ceramics. As no feldspar is being produced in Illinois, it must be imported from other states.

H. P. Ehrlinger III and H. W. Jackson of the minerals engineering section of the Survey, authors of the report, found laboratory tests that the terrace sands could be treated to produce a feldspar concentrate comparable to the feldspars new on the market.

Their laboratory treatment of the sand samples removed clay, heavy minerals and magnetic minerals in a series of steps that included gravity and magnetic separations and acid and sodium hydroxide scrubbing. The feldspar particles remaining after the removal of the impurities could be used for most manufacturing processes that require feldspar.

Ehrlinger and Jackson earlier had found sands from the

Kankakee River area were possible sources of feldspar. Their tests and conclusions were reported in the Survey's Industrial Minerals Notes 38 in 1969.

Three other areas in the state are now being examined for recoverable feldspar.

The new report, Industrial Minerals Notes 43, is available from the Illinois State Geological Survey office in Urbana.

The Survey is a division of the state Department of Registration and Education.

The Bubblermasters Scuba Diving Club of Granite City will sponsor a St. Valentine's Day dance at the Venice-Madison American Legion Hall, 740 Broadway, Venice, on Saturday, Feb. 13. It was announced today by Barry Maycock, club president.

Proceeds from the public dance will be added to a fund to purchase a new air compressor, Maycock said. He explained the equipment is needed by the Bubblermasters' Civil Defense Underwater Rescue Team, now functioning in the Quad City area.

Admission tickets, priced at \$5 per person, also include the cost of a buffet supper, setups and beer, the club officer advised. Tickets are available from Bubblermaster members, or may be obtained at the East Side Divers Supply, 1340 Niedringhaus Ave., and Aqua Marine Sales, 4237 Highway 111.

A popular music group will play for dancing between 9 p.m. and 1 a.m., Maycock said.

## Parked Autos Struck One Looted Later

Autos of Robert J. Gary and William R. Gary, both of Tucson, Ariz., parked at 2109 Benton St., were damaged when they were struck by a car driven by Billy L. Morgan, 2231 Benton St., at 1:25 a.m. Tuesday.

Morgan said he had dropped his gear knob and the crash occurred while he was reaching for it. Robert Gary later reported that after the accident, someone stole a sewing machine, assorted children's clothing and other articles from the trunk of his car.

H. P. Ehrlinger III and H. W. Jackson of the minerals engineering section of the Survey, authors of the report, found laboratory tests that the terrace sands could be treated to produce a feldspar concentrate comparable to the feldspars new on the market.
